

CITY INTELLIGENCE.

THE COMMERCE OF PHILADELPHIA.

THE THIRTY-FOURTH ANNUAL REPORT OF THE BOARD OF TRADE—FACTS AND FIGURES OF GREAT INTEREST TO OUR CITIZENS.

We have received from Mr. A. J. Perkins, the Secretary of the Executive Council of the Philadelphia Board of Trade, the "Thirty-fourth Annual Report of the Association, recently prepared by him.

On examination of this document, which is very voluminous, covering 100 octavo pages, it discloses many facts of great interest to the business portion of our community, and to all, in fact, who are interested in the prosperity of the city.

The officers of the Board for the current year are the following:— President—John Welsh. Vice-Presidents—Samuel V. Merrick, James G. Head, and Frederick Fraley.

It appears from the report that the total exports for the year 1866 were valued at \$17,918,001, while the imports during the same period amounted to \$17,555,000.

Table showing the number of tons of coal mined in the different States and Territories during the past two years (1865 and 1866).

During the same period the following amounts were shipped from the different ports of the United States:—

Table showing the amount of iron during the first six months of the year 1867, compared with the same period of the year 1866.

The iron manufactures of the last six months of the year, railroad iron excepted, were as follows:—

Table showing the receipt of breadstuffs during the past two years presented the following comparison:—

The cattle, hogs, and sheep at the Drove Yard presented the following comparison:—

The amount of domestic produce exported

Table showing the receipts of cotton by water, at this port, for the years 1865 and 1866.

The receipts of the same staples by land, during 1866, were as follows:—

Table showing the total of 29,372,906 pounds was equal to 73,433 bales, which, when added to the 20,517 bales imported by water, makes the total receipts for the year 93,950 bales.

The following is the number, class, and tonnage of new vessels registered, and licensed at the port of Philadelphia, for the year 1866:—

Table showing the number, class, and tonnage of new vessels registered and licensed at the port of Philadelphia for the year 1866.

THE CADETS OF TEMPERANCE—THEIR ANNUAL PARADE.—This morning was the occasion of the annual parade of the Cadets of Temperance, and a more agreeable time could not have been selected.

A GERMAN STRANGER VISITS THE LOWER SECTION OF OUR CITY, AND IS ROBBED OF \$15.—Mr. R. Rheinhardt, an old resident in Reading, Pa., who has recently returned to his native city, visited our city yesterday.

THE MANUFACTURE OF IRON DURING THE FIRST SIX MONTHS OF THE YEAR 1867, COMPARED WITH THE SAME PERIOD OF THE YEAR 1866.
