REPORT OF THE FIRE MARSHAL.—INTERESTING STATISTICS.—The report of Mr. Blackburn, Fire Marshal, for 1866, sent to Councils yesterday, with other Department reports, contains the following statement:—The losses by fire in 1866 far exceeded those of 1865. Not only in America, but all over the world, the flaming besom, in its irresistible sweep, made frightful wreck and ruin. Both in number and extent of damage, the fires of this year were without precedent. From the records which I have kept, and statistics collected by me from the most reliable sources, I estimate the total loss by burning in the United States at not less than \$50,000,000 for 1866, against \$25,000,000 for 1865, and \$100,000,000 for 1866. The aggregate loss in New York city alone, last year, reached \$10,000,000.

Philadelphia was comparatively favored; yet her losses in 1866 amounted to \$2,000,000, which are more than double that sustained by her in the preceding year, and treble that of 1864. The exact figures of the past year are as follows:—

Table with 2 columns: Item, Amount. Items include Total number of fires, Loss, Insurance, Clear loss.

THE FIRE DEPARTMENT OF PHILADELPHIA.—The Fire Department of this city consists of 88 companies, having under their control 47 steam fire engines, 13 hand engines, 107 hose carriages, 9 hook and ladder trucks, 1574 feet of ladders, 62 hooks, 162 axes, 93,450 feet of hose, and 1274 feet of canvas hose, valued at \$1,000,000.

The Fire Department here has 47 engines, 46 drivers, 94 horses, and 13 ambulances. During the war there were 33 ambulances in use. The total membership of the companies amounts to 14,455.

THE REPUBLICAN MEMBERS OF Select Council met yesterday, and made the following caucus nominations for the coming year:—

Agustine Heaton, John Ferreira, and Robert T. Gill.

POLITICAL AFFAIRS OVER THE RIVER.—Pursuant to a call from the local political authorities a meeting was held to elect delegates to the 4th of June Convention, at the Union League Hall, corner of Fourth and Federal streets, Camden.

The State Central Committee, and the Committee on Resolutions, called the Equal-Suffrage meeting for the 4th of June, had a meeting in New York recently, at which two out of three of the Committee in favor of the 4th of June Convention gave up to an adjournment.

This postponement dampened the enthusiasm of the more ardent and less aged Republicans. It is now thought that a mass meeting will be held at Trenton, at noon on next Tuesday, June 3, to decide upon the course to be pursued.

Senior Freilingshuysen, and Henry Wilson, of Massachusetts, will probably be present. At the meeting held yesterday at the Camden Union League, Samuel H. Gray was elected Chairman, and Henry Bouslog, Secretary.

The sense of the meeting was decidedly in favor of a mass meeting at Trenton on next Tuesday.

The following preamble and resolution were offered by James M. Sovel, and unanimously adopted:—

Whereas, The State Central Committee of New Jersey and a majority of the Legislative Committee have deemed it advisable to postpone the 4th of June Convention to July 23; And whereas, We believe immediate agitation of the question of equal suffrage vital to the triumph of Republicanism; therefore

Resolved, That we will meet on equal suffrage in Trenton, at noon on next Tuesday, June 3, to discuss the question of equal suffrage, and to endorse the effort being made to hold such mass meeting of the Union Republican party at Trenton on Tuesday next, the 4th day of June, and we invite a full attendance from the whole State.

A GARDNER, Chairman of the Committee on State Organization, made a report in which they presented a Constitution for the approval of the Convention, which was in which was recommended that the name of the association shall be the "Pennsylvania State Sabbath School Association."

The articles of organization appoint a President and two Vice-Presidents, and a Secretary represented in this Association, a salaried Secretary, with Assistant Secretaries from each county, who shall be the Secretaries of the county societies where seated.

A committee shall consist of fifteen, four of whom shall be a quorum for business.

The seventh article, as amended, was adopted, viz.:—Meetings of this Association shall be held at such times and places as the Association shall determine, and shall be composed of two delegates for each Sunday School in the State.

On motion, the amount of salary to be paid the Secretary was referred to the Business Committee of the Association.

The Constitution was then adopted as a whole. The election of officers for the Association then took place. Ex-Governor Pollock was nominated for President, but respectfully and unqualifiedly refused to accept.

Cummings, Professor James Marvin, Jacob A. Gardner, George C. Lancaster, William Getty, Rev. Thomas A. Ferley, and William G. Boulton; Treasurer, Alexander Ervin.

At the close of the Convention, Mr. George Cookman offered the following resolution:—

Resolved, That the thanks of this Convention be returned to the Pennsylvania Central, Reading, North Pennsylvania, Philadelphia and Erie, Northern Central, West Chester, Wilmington and Baltimore Railroad Companies.

Resolutions of thanks to the Chairman, ex-Governor Pollock, were offered and unanimously adopted.

The close of the Convention delegates from the various Sabbath Schools represented pledged nearly twenty-five hundred dollars towards defraying the salary of the State Secretary, and other expenses, which amount will be increased by the contributions yet to come in from the various Sabbath Schools of the State.

On motion, adjourned to meet at 8 P. M., to partake of a collation, and then adjourn sine die.

THE CENTRAL PRESBYTERY of Philadelphia held a special meeting on Wednesday, and received Rev. A. W. White, D. D., to its membership. Dr. White was formally dismissed from the Classis of the Reformed Dutch Church of Long Island, New York, to the Central Presbytery, in consequence of having received a call to become the pastor of the West Front Street Presbyterian Church. After Dr. White's installation, the Presbytery appointed Sunday evening next for his installation. On that occasion, Rev. Alexander Reed, D. D., of the Central Presbytery, and Rev. John H. Williams, of the Philadelphia Church, delivered the charge to the pastor; and the Rev. E. S. Beadle, D. D., of the Second Church, Seventh street, below Arch, will deliver the charge to the people.
