THE NUMEROUS FRIENDS OF THE SOLDIERS' orphans will be gratified to hear that, notwithstanding the extreme duliness now prevailing in most branches of business, the onlidren in the Homestead at Gettysburg are not forgotten. Subscriptions of money, flour, sugar, crackers, soap, coal, etc. etc., are being pretty freely made. The agent bas informed us that Messra. BRUTAL TREATMENT OF A HORSE-IT IS BEATEN TO DEATH.—A case has just come to our notice that will afford a good chance for the Society to Prevent Cruelty to Animals to exercise them-selves upon. Last Monday night, a person giving his name as George Layton, residing at Bustleton, hired a horse and carriage of Mr. John M. Stevens, the keeper of a livery stable at the "Seven Stars" Hotel, in Frankford, He then amused himself by driving at full spee-back and forth between Frankford and Bustle ton until a very late hour, when the horse and carriage were returned to Mr. Stevens' stables, The horse was in a dreadful condition, and was swollen in great welts where it had been beaten, and could neither eat and the first other beaten, hausted. This morning it died from the effects of Layton's brutal usage. When the latter went out with the team be took a new whip. When he came back the whip had been used with such fiendish energy upon the horse that it was broken to nices. Layton was arrested and broken to pieces. Layton was arrested and taken before Alderman Hoimes. Mr. Stevens, the owner of the Horse, which was valued at \$200, appeared against him, and testified to the condition in which the horse was brought back to the stable. Layton was held in \$800 bail to answer at Court the charge of cruelty to an

ANOTHER DISGRACEFUL RIOT .-- The "war Spirit' appears to exert a powerful influence over our firemen, judgiog from the number of disgraceful fights that constantly occur. The last took place last evening about 6 o'clock. Whilst the Weccacoe and the Southwark En-gines were going to or retarning from a fire they raced their apparatus, until they got within a short distance of Walnut, upon Fifth within a short distance of wahdt, upon Fitti bireet. When there they stopped, and amused themselves with getting up a first-class fight. Flats, brickbais, spanners, etc., were freely used over each other's heads, and affairs were rapidly assuming a serious turn, when Lieutenant

THE REGATTA on the Schuylkill to-morrow of the Boat Clubs, will be a beautiful spectacle. Persons taking toe steamboats at the Park will have a fine opportunity of witnessing it, as they will lay in the s ream during the races.

and counterfeits of HOSTETTER'S STOMACH BIT-TERS, with which the pirates who make a dishonorable living by preying upon the slok and suffering, are now endeavoring to flood the markets of this country. Whenever these poison-mongers are discovered they are immediately prosecuted by the proprietors, who expend thousands of dollars annually in tracing them out and bringing them to justice. Within a short time injunctions have been obtained in the Courts of the United States against a number of individuals and firms, and suits are now in progress against several others, all of whose names will be given to the public. But in spite of the utmost vigilance and activity of their detective agents, the undersigned are, of course, unable to protect the public entirely against piratical imitations of a Standard National Tonic everywhere in request, and as readily convertible into cash as United States Bonds or Treasury Notes. They, therefore, as a measure of precaution, direct attention to the fact that a finely engraved label, representing St. George and the Dragon, and a beautiful proprietary stamp, bearing the official endorsement of the Government, appear on every bottle of the genuine BITTERS. The article is further authenlicated by a miniature note of hand, with the signature of "Hostetter & Smith," to counterfelt which is a State prison crime. The true BIT-TERS are sold in bottles only, and never in bulk. HOSTETTER & SMITH.
