The offer must be for the delivery of 20,000

77. These proposals must be endorsed "Proposal"

The offer must be for the delivery of 20,000 tons, of 2240 pounds.

The coal must be of the best Buck Mountain or Black Heath, or of a kind equal to them in all respects, for the purpose intended, which equality will be determined by a Board appointed by the Secretary of the Navy after the reception of the bids.

The name of the coal proposed to be furnished must be stated in the offer.

It is to be delivered in lumps of suitable size for naval steamers, clean, of uniform quality, selected free from impurities, unmixed, of which the contractor will be required to furnish such evidence as will be satisfactory, and be subject to such inspection as to quality and quantity as the Department may direct. The coal must in all respects be satisfactory to the inspector or inspectors to be appointed by the Bureau, who will have the right of peremptory rejection.

The coal is to be delivered on board of vessels

Hureau, who will have the right of peremptory rejection.

The coal is to be delivered on board of vessels at such places in the port of Philadelphia as may be designated by the Bureau, and in such quantities, and at such limes, as in the opinion of the Bureau, the exigencies of the service may require, commencing when the vessel is reported ready to receive cargo; furnishing, if demanded, not less than 600 tons per day, to be distributed to each vessel as may be directed, until the loading is completed.

Proposals will likewise be received for the delivery of 12,000 tons of the same quality of coal, to be delivered in the port of New York, on board vessels, as at Philadelphia.

In the case of failure to deliver the coal in proper quantity or the proper quality, and at the proper time and place, the Bureau will reserve in the contract the right to purchase or thwith, at the contract the right to purchase or this than the case of the contract of a standard expense, that which may seem necessary to supply the deficiency.

Any demurrage or other charges to which the

deficiency.

Any demurrage or other charges to which the Navy Department may be subjected from delay in the prompt delivery of the coal by the contractors, will be deducted from their bills.

The price must be for the coal delivered on board vessels, on the terms and conditions above stated, at the contractor's risk and expense, and without extra charge of any kind. The offer, as required by law, must be accompanied by a written guarantee, signed by one deficiency. The offer, as required by law, must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that they undertake that the bidder or bidders will, if his or their bid be accepted, enter into obligation, at such time as may be prescribed by the Bureau, with good and sufficient securities, to furnish the supplies proposed.

No proposition will be considered unless accompanied by such guarantee; and the Department reserves the right to relect all the offers, if considered to be to the interest of the service to do so.

Two or more sureties, each in a sum equal to

Two or more sure! es, each in a sum equal to to the amount specified to be paid, will be required to sign the contract, and their responsibility will be certified by the Assessor of Internal Revenue of the District.

As additional and collateral security twenty per cent, will be withheld from the amount of all payments, which reservation is not to be all payments, which reservation is not to be paid, except by authority of the Secretary of the Navy, until the contract shall have been in all respects compiled with; and the remaining all respects complied with; and the remaining eighty per cent., or other amount that may be une upon each bill, will, when a proper cer-tificate is furnished by the Inspector, and the bill approved by the Bureau, be paid by such navy agents as the contractor may name, within ten days after the warrants for thesame shall have been passed by the Secretary of the

shall have been passed by the Secretary of the Treasury.

It will be stipulated in the contract that if default be made in the delivery of the coal, in the quantity or the quality, and at the place and time directed by the Bureau, then, and in that case, the contractor and his surcties will forfeit and pay to the United States, as liquidated damages, a sum of money not exceeding twice the contract price, which may be recovered from time to time, according to the act or acts of Congress in that case provided.

Bidders, whose proposals shall be accepted, and none other, will be notified, and, as early as practicable, a contract will be transmitted to them, which they will be required to execute within ten days after its receipt at the post office named by them.

No ther work can compare with this in the action and completeness of its sketches, or the accoacy of its statements. It is prepared under the anction and approval of the Sanitary and Christian Commissions, and is, therefore, the standard work on the Salyect. The variety of its sketches gives it a charm that causes every reader to be interested and delighted with it. Our terms are liberal, and the demand for the work is so great that energetic agents easily make from \$100 to \$200 per month. The work is just issued and the field is new.
