THE DAILY EVENING TELEGRAPH-PHILADELPHIA, SATURDAY, NOVEMBER 2, 1867.

THANKSGIVING PROCLAMATION.

HARRISHURG, Nov. 1, 1867. Commonwealth of Pennsylvania.

From the creation of the world, in all ages and elimes, it has been customary to set apart certain days for special religious observance. This has not always been influenced by the light of Christian knowledge, nor by any proper conception of the character of that Great Being "who ruleth the earth in righteousness, and "who daily loadeth us with his benefits:" but by an innate sense of the existence of an overruling Power, by which all the world and all it contains are governed and controlled. Aided by the dictates of cultivated reason and the teachings of Divine revelation, we, however, are taught to recognize in that Supreme Ruler a Heavenly Father, to whom we are indebted for existence and all the blessings we enjoy, and to whom we owe constant and fervant thanksgiving and praise. It is He who "visiteth the earth and watereth it;" who "setteth the furrows and blesseth the springings thereof;" who "crowneth the year with His goodness, and whose paths drop fatness;' who "clothest the pastures with flocks, and coverest the valleys with corn;" who "maketh the out goings of the morning and of the evening to rejoice;" who "is our refuge and strength;" who "maketh wars to cease," and "saveth us from our enemies;" whose "throne is forever and ever," and who "blesseth the nations whose God is the Lord."

On all sides we have increased assurances of the "loving kindness" of an All-wise Parent of Good, who has conducted our nation through a long and terrible war, and permitted our people to repose once more in safety, "without any to molest them or to make them afraid." The monstrous sentiment of disunion is no longer tolerated. The flag, the Union, and the Constitution are esteemed as the safeguards of the rights and liberties of the people, and are revered and defended as the ark of their

political safety. A kind Providence has not grown weary of supplying our continuous wants; a bounteous harvest has rewarded the labors of the husbandman: flocks and herds are scattered in countless numbers over our valleys and hills; commerce is uninterrupted, and vessels laden with the products of nature and of art speed unmolested over the trackless deeps. Neither pestilence, famine, political or social evils, inancial embarrassments or commercial distress, have been permitted to stay the progress and happiness of the people of this great Commonwealth; but pesce, health, education, morality, religion, social improvement and refinement, with their attendant blessings, have filled the cup of comfort and enjoyment to overflowing.

Recognizing our responsibility to Him who controls the destinies of nations as well as of individuals, and "from whom cometh down every good and perfect gift," to whom we are deeply indebted for all these and the richer blessings of our common Christianity, let us unitedly give our most devout gratitude and hearty thanksgiving: I, therefore, do hereby recommend that Thursday, the 28th day of November next, be set apart as a day of praise and thanksgiving; that all secular and worldly business be suspended, and the people assemble in their various places of worship to acknowledge their gratitude and offer up prayers for a continuance of Divine favor.

Given under my hand and the great seal of the State, at Harrisburg, this thirty-first day of October, in the year of our Lord one thousand eight hundred and sixty-seven, and of the Commonwealth the ninety-second. JOHN W. GEARY.

By the Governor: F. JORDAN, Secretary of State.

CITY INTELLIGENCE.

BRON CHITTE, -- The usual symptoms of this disease are Cough, Soreness of the Lungs or Throat, Hearte-eess, Difficulty of Breathing, Heetic Fever, a Splitting of Fulleym or Matter, and aometimes Blood. It is an inflammation of the fineskin lising the inside of the whole of the Wind Tubes or Air Vessels which run through every part of the Lings. Sayne's Expectio-rant immediately suppresses the Cough, Pain, In-flammation, Fever, and Difficulty of Breathing, pro-duces a free and easy expectoration, and effects a speedy cure.
