THE LASH AND PILLORY.

Shocking Scenes at Georgetown, Del., on Saturday—Unusual Brutalities.

A correspondent at Georgetown, Sussex county, communicates the following statement relative to the whipping of the persons convicted at the recent term of Court.

He says:—The whipping of Thomas Oliver. the negro who plead guilty to assaults on two white women, was entrusted to the hands of Jim Wingate, a notorious character, well known for his fiendish hatred to the black people. The punishment was sixty leshes. Thirty of these were inflicted in the morning. The instrument employed was a cowhide, which was used with such fury that the blood flowed at every cut, causing the fellow to utter the most pitcous screams. It is even asserted that some person held his feet to keep him from giving way to his agony, while the Sheriff looked on with complacency.

The man was again brought out in the after-

The man was again brought out in the after-noon, and the lashes were reversed, across his back, making cross bars. The wounds were afterwards washed with brine. It is declared to be the most horrid punishment ever inflicted In the State, and the shricks and strokes of the lash were heard at a distance of nearly one hundred and fifty yards. The better class of Democrats declare themselves disgusted. There is no doubt that Oliver will additionally b victed, at another Court, of rape, for which, it being a capital offense, he will be hung. This torture is, therefore, a mere preliminary to his

execution. On the same day, J. P. Jones (white), con-victed of lorgery, was brought out for punish ment, he being sentenced to stand in the pillory an hour, besides imprisonment, fine, wearing convict's jacket, etc. He seemed almost fren zied at the thought of the degradation he was to undergo, and begged the bailiffs to shoot him. By frantic exertions be succeeded in breaking away, and ran some one nundred vards, when he fell from exhaustion. He was taken back and underwent the punishment. - Wi minglon

GRAND POPULAR MOVEMENT TO ERECT THE

GETTYSBURG ASYLUM

FOR INVALID SOLDIERS,

UNDER A SPECIAL

Charter from the State of Pennsylvania, PASSED MARCH 6, 1867.

AN APPEAL TO THE AMERICAN PEOPLE.

The object of this Association is to provide, by public exertion, a Na ional home for our disabled soliers, to erect as asytom for those who, in their patrictism, have served their country at the expense of fixir health and happiness; who in the battle for the nation's life were maimed, and are now incapable of working for their own maintenance. France has her Hotel des Invalices, where rest the asbest of the great Napoleon; he giand, her Greenwich and Chelsea Hospitals, the former being one of the finest architectural structures ever devited to charity. Ressla, Prussla, and in fact nearly all European countries have magnificent retreats for the unfortunate solders. Monarches provide for the alleviation of the suffering caused by war, but free, prosperous Republican America has no place for her crippled and sick seldiers but the country poor-house or the aldevalks of her crowded cities. These noble patriots left happy homes to save our common country in the hour of her deep distress. We pleaged to them our lastling grating, and now those who are dependent look to us in their utter need to redeem those pleages. They have performed their park. We enjoy the result of their sacrifices. We must not be recreamt to our obligations. Let us such devote but a single dollar to title purpose, and the Gettysburg Asylum will afford the holders a home, and our country will be becomed by the noble institution.

THE LAND HAS BEEN PURCHASED
