Remance of Menotti Garibaldi. Menotti Garibaldi—the hero of the hour—has had as romantic a birth as could be desired. He was born 16th of September, 1840, at a mise rable shanty situated on the Pampas of La Plata, when his father, and his mother too, battled for the Republic of Rio Grande. Garibaldi had gone during the morning to a beighboring town to purchase clothes for the mother baild had gone during the morning to a beignboring town to purchase clothes for the mother and the expected little stranger. On his return he heard the new-born's voice, and, kissing his young wife, took the baby in his arms. "What shall we call him?" said the mother. "Menotit," replied the father; "better the name of a martyr to liberty than a saint's." Menotit was born with a scar on his head, caused by his mother, while pregnant, having been thrown from her horse, after fighting her way, revolver in hand, when surrounded by enemies. Surprised almost a few days after her accouchement by an attack from the enemy, she wrapped Menotti in his father's cloak, and, but half-dressed herself, jumped into the saidle, strapping the child across it, and galloped to the forest, pursued by the enemy, to meet her washand and his companions in arms. Since then Menotti has shared the reward his father holds out to his followers—hunger, thirst, want, and marching night and day. He is always calm and smiling; he is of the middle height, large shoulders, full of courage and boldness—a stolcal soul in an iron body.—London Court Journal.

The eldest couple in Ohio are Mr. and Mrs. Boyd, at Ironton. He is 110 and she 107. They get mad at each other every little while and threaten to obtain divorces. The other day the dame refused to sew on a shirt button for her spouse, when he indignantly inquired "If he had get to live so all his life ?" FINANCIAL.

E S MIL 500 OF THE

PACIFIC RAILROAD Running West from Omaha

Across the Continent,

ARE NOW COMPLETED.

The Union Pacific Railroad Company have built a longer line of railroad in the last eighteen months than was ever built by any other company in the same time, and they will continue the work with the same energy until completed. The Western Division is being pushed rapidly eastward from Sagramento by the Central Pacific Company of California, and it

THE ENTIRE CRAND LINE

to the Pacific will be open for business in 1870. MORE THAN ONE-THIRD OF THE WORK HAS ALREADY BEEN DONE, MORE THAN ONE-THIRD OF THE WHOLE LINE IS NOW IN RUNNING ORDER, AND MORE LABORERS ARE NOW EMPLOYED UPON IT THAN EVER BEFORE. More than

Forty Million Dollars in Money Have already been expended by the two powerful companies that have undertaken the enterprise, and there is no lack of funds for its most vicorous prose-

The Union Pacific Company therefore offer their First Mortgage Bonds to the public with the assurance that they represent one of the largest and most valuable corporate properties in the world. The first question asked by an investor is, "Are the bonds safe?" The second, "Are they profitable?" To answer, in brief-1. The early completion of the whole line is as cer-

tain as any future business event can be. 2. The Union Pacific Rallroad bonds are issued upon what promises to be one of the most profitable lines of railroad in the country. For many years it must be the only line connecting the Atlantic and Pacific; and being without competition, it can maintain re-

munerative rates. 3. The net earnings of the sections already finished are several times preater than the gold interest upon the First Mortgage Bonds upon such sections, and if not another mile of the road were built, the part already completed would not only pay interest and expenses, but be profitable to the Company.

4. The Union Pacific Rallroad Bonds can be issued only as the road progresses, and therefore can never be in the market unless they represent a bond Ade pro-

5. Their amount is strictly limited by law to a sum equal to what is granted by the U. S. Government, and for which it takes a second lien as its security. This amount upon the first 517 miles west from Omaha is only \$16,000 per mile. 6. The fact that the U. S. Government considers a

second lien upon the road a good investment, and that some of the shrewdest railroad builders of the country have already paid in five million dollars upon the stock (which is to them a third lien), may well inspire confidence in a first lien, 7. Although 1 is not claimed that there can be any

better securities than Governments, there are parties who consider a first mortgage upon such a property as this the very best security in the world, and who sell their Governments to re-invest in these bondsthus securing a greater interest. s, As the Union Pacific Railroad bonds are offered

for the present at ninety cents on the dollar, and accraed interest, they are the cheapest security in the market, being more than fifteen per cent, less than United States stocks. 9. At the current rate of premium on gold, they pay

OVER NINE PER CENT. INTEREST.

FIRST MORTGAGE BONDS whose principal is so amply provided for, and whose interest is so thoroughly secured, must be classed among the safett vestments. They pay

SIX PER CENT. IN GOLD

And are offered for the present at NINETY CENTS ON THE DOLLAR, and accrued interest at Six Per Cent, in Currency from July 1.

TN THE HOURS OF OUR HAPPINESS and prosperity, let us remember the unfortunate and disabled soldiers who saved us a country and nationality."-LINCOLN.

GRAND POPULAR MOVEMENT TO ERECT THE

GETTYSBURG ASYLUM FOR

INVALID SOLDIERS, UNDER A SPECIAL Charter from the State of Penusylvania PASSED MARCH 6, 1867.

AN APPEAL TO THE AMERICAN PEOPLE.

The object of this Association into provide, by public exertion, a National home for our disabled sollers, to erect an asylum for those who, in their patriotism, have served their count y at the expense of their health and happiness; who in the battle for the nation's life were maimed, and are now incapable of working for their own maintenance. France has her Hotel des Invalides, where rest the ashes of the great Napoleon; Ergland, her Greenwich and Chelsea Napoleon; Ergland, her Greenwich and Chelsea Napoleon; Ergland, her Greenwich and Chelsea Hospitals, the former being one of the finest architectural structures ever devited to charity. Bussis, Prussis, and he fact nearly all European countries have magnificent retreats for the unfortunals soldlers. Monarchies provide for the alleviation of the suffering caused by war, but free, prosperous Republican America has no place for her crippled and sick soldlers but the country poor house or the sidewalks of her crowded cities. These noble patriots left happy homes to save our common consitry in the hour of ber deep distress. We pledged to them our lasting grafitude, and now those whe are dependent look to us in their utter need to redeem those places. They have performed their part. We enjoy the result of their sacrifices. We must not he recreant fo our obligations. Let us each devote but a single dollar to this purpose, and the Gettysburg Asylum will afford the soldlers a home, and our country will be bonored by the noble lastistion.

country will be honored by the noble institution.

THE LAND HAS BEEN PURCHASED

By this association, and Ten Thomand Dollars have already been paid towards the passervation of the battle-ground-about thirty acres (adjorning the site of General Meade's Headquarters) have been set apart for the uses of the Asylum.

LEXINGTON AVENUE, NEW YORK, Oct. 28, 1867.—
Having labored for three years to erect a Home for our or dippied veterans, and having passed a bill for that purpose in the New York Legislature, incorporating some one hundred of our best citizens as Directors—but under which bill no action has been had, from that time to this—and knowing the great and crying necessity of the case, the shame of leaving our disabled veterans to starve or beg. I hereby most cordially indorse your enterprise, and it shall have all the aid of my tongue, pen, and influence, Very truly yours, CHARLES G. HALPINE.

(From the Posimaster-General of the United States.)

I recommend to all Posimasters that they shall aid this truly benevolont and patriotic enterprise.

Being satisfied with the integrity of your enterprise, we cheerfully consent to display your diamonds at our establishment.
