NOTICE.—THE UNDERSIGNED
would call attention of the public to his
NEW GOLDEN EAGLE FURNACE.
This is an entirely new heater. It is so; constructed as to at once commend itself to general layor, being a combination of wrought and cast iron. It is very simple in its construction, and is perfectly airlight; self-cleaning, having no pipes or drums to be taken out and cleaned. It is so arranged with upright fines as to produce a larger amount of heat from the same weight of coal than any furnace now in use. The hygrometric condition of the air as produced by monstrate that it is the only Hot Air Furnace that will produce a perfectly healthy atmosphere.
Those is want of a complete Heating Apparatus would do well to call and examine the folder Eagle.
