JAMES S. CLAXTON, No. 1214 CHESNUT Street.

JOHN E. POTTER & CO. WILL PUBLISH
on the 16th of December, EMERSON BENNETT'S masterly conception.
THE PHANTOM OF THE FOREST:
A TALE OF THE DARK AND BLOODY SROUND.
By EMERSON BENNETT.
Author of "The Forged Will," "Prairie Flower,"
"Chara Moreland," "Border Rover," etc., etc.
12mo. Large clear type, and bandsomely bound in
English Cioth. Price, \$2.

Bince the death of Cooper, Emerson Bennett is unquestionably the best living delineator of American border life. His are no morbid creations of fancy, but stern realities evuked from the troubled past. Backwoods life, with all its viciositudes, adventures, struggles, perlis, tragedies, and fierce contentions between the white man and the red, is so clearly portrayed by its vigorous and graphic pen, that he who reads has the whole frontier before him.

The "Phantom of the Forest" is one of the best of his productions—original in conception and is destined to have an immense sale and an enduring popularity. Sent by mail, postpaid, to any address, on receipt of price.
