The Roman Catholic Archbishops Op-posed to Emlistments for the Pops.

The following card was issued yesterday .-- The publication in the newspapers of a Circular from Rome, to the effect that the Holy Father had concepted to accept the services of a battation of one thousand men, to be raised in the United States, on condition that the said men shall be States, on condition that the said men shall be carefully chosen, and be equipped and supported for three years by the Catholics of these States, seems to call for some official notice from the pretates to whom the circular is exclusively addressed, and to whose discretion, as guar-dians of the interests of the Caurch in this country, the subject is committed. For this reason, and for the purpose, at the same time, of satisfying inquiries which have reached us from various quarters, we deem it proper thus publicly to define our position with reference to publicly to actine our position with reference to a matter of so much importance; and in doing so we have the best reason for knowing that we do but speak not alone our own sentiments, but those also of our venerable brethren in the

these also of our venerable brethren in the Episcopacy. It is needless for us to say how sincerely we desire to uphold and protect, as far as in us lies, the temporal independence of the Holy Father, being persuaded how essential it is to the free and unfettered exercise of his spiritual supre-macy in the government of the Universa Church. Yet the proposal to raise and equip an American battalion did not originate with us. As far as we can learn, it has emanated from and been persistently urged on the military authorities at Rome, by some party or parties authorities at Rome, by some party or partic who have assumed to represent us, not on without our sanction or authority, but even without our knowledge; and what renders this the more remarkable is the fact that the Ship Tonswands, Julius, hence via St John, N. E ho has succeeded in sp for Liverpool, was passed 25th ult, lat. 41.84, iong 55.66. Sbip James Harvey, Lovell, for Philadelphia, sailed from Liverpool 19th ult. Ship Cordelia, King, for Philadelphia, cleared at Liverpool 18th ult. Ship Bombay, Jordan, for Philadelphia, entered out in advance, the appointment of Lieuimself cuant-Colonel, to have command of the proposed battalion, is one who, we feel bound to say, does not enjoy, and is not entitled to enjoy, our confidence, especially in a position of so high a responsibility and trust. If he has found encouragement and support from one or two journals, edited by Cataolic laymen, which have given place to his ill-advised correspondence, this does not strengthen his claims, innsmuch as the journals in question are not to be recognized as reliable expo-nents of Catholic views or sentiments, still less ducreet or commendable advocates of the Catholic cause, Besides, the project as pro-posed, with the conditions which are annexed to it, cannot, in our judgment, be successfully carried out: and any attempt to do so would, we apprehend, instead of serving the cause o our venerable and beloved Holy Father, prove detrimental to it. It is not necessary to enter into further de ails; it will be enough to add, that we still have caron to know that pecaniary aid is more acceded at this moment than military aid, and will be more acceptable from us. We shall con inne, therefore, as hitherto, to urge our gene rous and faithful Catholic children to contribute abundantly, according to their means, for the surport of our common father, who will employ their offerings in such a manner as may to him seem best; not doubting that, by our so doing, we shall meet his warm approval, and merit his Anostolic benediction.

THE FOURTH OF JULY .- The First Division Pennsylvania Militia will parade on the mora-ing of the Fourth of July. The line will form at so'clock A. M., on Broad street, the right resting on Poplar street, facing west. Major-General Prevost, commanding, has detailed Co. A. Veteran Light Artillery, Captain James A. Brady, to fire a national salute at sunrise.

The soldiers of the war of 1812 will assemble in the morning and celebrate the day in their usual spirited and impressive manner.

The State Society of the Cincinnati of Penn-sylvania will meet at 10 o'clock A M., and in the evening will dine with members of other State societies.

The Celtic Association of this city will also celebrate the day in an appropriate manner.

MERTING OF THE DEMOCRATIC CITY EXECUTIVE COMMITTEE. - This committee yesterday afterquarters, No. 718 Sansom street, which have been handsomely fitted up. Thomas J. Hemp hill, Esq., President, occupied the chair, and John R bbins, Jr., officiated as Secretary. The contested case of Henry Monaghan and James Flaherty, both claiming to be the regutar nominee for the office of assessor in the Eighth Ward, was decided in favor of the former. It was expected that a committee would be appointed in the contested case of Michael Mullin and John Forsythe, both of whom claim the nomination in the Thirteenth Representative District; but no official communication from the meeting of candidates on Monday, referring the case to the committee, having been received, no action was taken.

A CAUTION TO THE PUBLIC.-It is un derstood by the managers of the differ-ent telegraph lines in this city that some of their messengers are circulating a petition for a boliday present. This is entirely wrone. Such petitions are entirely without their authority. They are the resort of a system of bribery, which is not only of disadya tage to the telegraph companies, but also to the customers. It unfortunate that many bays have been discharged in consequence of their dishonesty that is, of collecting more money for despatches than was proper: and it is understood that many of these disponent boys are attempting to collect money under labe pretenses. The de-fectives are on their track.

Accidents.-Charles Furlong, aged twentysig years, while engaged yesterday at the In-destrial from Works, but one of his legs se-verely injured by a piece of heavy casting falling on it. He was removed to the Pennsylvania Hospitsl.

Yesterday afternoon, about 6 o'clock, Sarah Thompson, colored, 5 years of are, was run over by a furniture car, at Thirteenth and Green streets, and had her left arm badly crushed. Removed to the hospital.

Last evening a child was run over and killed at Mineteenth and Hamilton streets. The Coroner was notified.

THREE CARD MONTE -- WANT OF JURISDICTION. -Before Alderman Beitler, yesterday, John Corson and E. H. Minar had a hearing, charged with running off with money that has been staked in a game known as three card Moste. The complainant was a country-man who had been induced to play, and when it was discovered that he had won, the defendant, it is alleged, ran away with the stakes. It appearing that the same was played in Camden, and that the accused had been followed to this city, the Alderman informed the complaluant that he had no jurisdiction, and discharged the prisoners.

Given at Mount Saint Mary's College, Em

ing been able to attend the meeting, empowered the Archbishop of New York, in writing, to sign this document for him, having been fully apprised of what would be its contents.

This medical preparation is purely vegetable,

This medical preparation is parely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is a reliable family Medi-cine, and can be taken by either infantor aduit with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhost, Dys-entery, Bowel Complaint, Dyspepsis, Lowness of Spirits, Faintings, Sick Stomach, Headache, etc. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes. As indisputable evidence of its medical properties, we append the following:-

Strong Westimonial from Fire Marshal

Strong Westimonial from Fire Marshal Blackburn. PHILADELPHILA, March 10, 1868. Jacob Scheetz, Esq.—My Dear Sir.—Some eight months ago, when suffering from great ner-vous presimion, the result of extosure and overlasked energies, I was induced by you (an old friend) to take as a Tonic your celebrated inter Cordial; and so agreenbly surprising have been its beneficial effects, that I cannol refrain from thus bearing testimony in its favor. As a beverage it is as pleasant and de-

avor. As a beverage it is as pleasant and de-lightful as a glass of rich dark-brown Sberry as an appetizer before meals, perfectly magical

and as a digester of food, the most potent com-pound 1 ever knew. Altogether, I consider it one of the happiest combinations of medicinal herbs ever off-red to the public as a curative.

I most cheerioly and confidently recommend it to every sufferer from Dability, Dyspepsia

and Rheumalism. As a substitute for the vil-ianous alcoholic and vinous concostions im-bited at too many of the public bars of the pre-sent day, it must also prove a blessing. Very truly yours, ALEXANDER W. BLACKBURN, 616mwilät Fire Marshal.
