OTTAWA, Sept. 9 .- The trial of Whalen was e-umed this motaling. Detectives Chillon and Hess testified as to the conversation they heard in juil between Whalen and Doyle, wherein Whalen acknowledged that he shot MeGee. Torner testified to having several times he rd Whalen threaten to take the life of McGee. Another witness gave evidence highly unfavorable to the prisoner.

The case for the prosecution has closed. At 6 o'clock to night the Court adjourned until to-morrow, when the de case begins. Whalen has lost the definit air assumed on the first day the trial, and appears anxious and uneasy. It is supposed that the case for the detense will occupy about a week. There is scarcely a doubt of conviction.

THE POINT BREEZE RACES .- There was a fair attendance at Point Breeze Park yesterday, on the occasion of the first of a series of races announced to take place on that course. The race yesterday was between Victor, Patchen, Prince George, and Blue Dick. The latter won the first, second, and fourth heats. The third was decided a dead heat between Patchen and Blue Dick.

At a recent meeting of the Board of Trustees of the Labor Exchange at San Francisco, the secretary presented his first quarterly report. It is an exceedingly interesting document. In that portion embracing a review of the operations of the Exchange for the last three months, the secretary says that the wages for several classes of workmen have increased. He shows the benefit of the Exchange to the State at large and the value of utilizing labor immediately, which he holds cannot be hoarded like gold. One of the statistical tables shows that more steady demand for other classes, which could not be filled owing to the scarcity of competent esterday says the Legislative election in New workmen. #### From Georgia.

ATLANTA, Sept. 9.-The Senate amended the relief bill by striking out the second section, which included money in the schedule. The House passed a bill giving and to the air-line railway through northeastern Georgia. A message was received from the Governor,

enclosing a report of the committee in the case of persons applying for seats vacated by the ex-pelled negroes, and giving the names of persons receiving the next highest vote. A project accompanied the report against the

action of the House in expelling the negroes, which reviewed the constitutional question, and stated that the Constitution clearly gave negroes the right to hold office.

Pending the reading a motion was made to table it, as a direct insult to the House. The motion was not sustained.

The following was introduced :-

Resolved, That the portion of the communication of the Governor reflecting upon the action of the House in deciding on the elubility of free persons of color under the Constitution, be returned with the follow.ng:-Resoured, That the members of each house

are the judges of the qualifications of its mem-bers and not the Governor, and that they are the keepers of their own conscience, and not his

Excellency. A resolution was passed to swear in the members having the next highest vote, who were not eligible under the third section of the fourteenth amendment. Several of the new members were sworn in and took their seats.

#### From South Carolina.

COLUMBIA, Sept. 9. —The Legislature to-day passed a bill pledging the taxe : collected for the redemption of bills receivable of the State. Also, a bill to aid the Blue Ridge Railroad.

The Republican Convention elected Elliott permanent chairman. A committee was ap-pointed to prepare an address to the people of the State. A.S. Wallace, of York, was nomi-nated as the Republican candidate for the Fourth District Fourth District.

#### Sculling Match.

PHTTSBURG, Sept. 9.-The sculling race, 5 miles, tor \$2000 and the championship of America, between Walter Brown, of Portland, and Henry Coulter, of Manchester, to-day, resulted in favor of Brown by about two minutes. The race, which was rowed 6 miles above the city, was entirely fair and square. The reliable time given is 33 minutes 5 seconds, the fastest on record. There was great excitement over the result, which was quite unexpected.

The citizens of the Ninth Frecinct of the Tenth Ward met at the Precinct house, south-west corner of Twenty-second and Vine streets, last evening, and organized for the campaign. This evening a grand Republican mass meeting and flag-raising will take place at Niuth and Spring Garden streets. Hou, Leonard Myers,

Charles Gibbons, and others will speak. A very large audience was present last even-ing at the Aimory. Broad street, below Race, on the occasion of the reorganization of the old Campaign Club of 1860. The Marshal, Colonel William B. Mann, was present, and called the

meeting to order. After short speeches by Colcnel Mann and Colonel Forney, Mr. Robert Beatty was elected Eccretary, and John Price Weiberdl Treasurer. The meeting then ad-journed to meet at the call of the President.

SHOT HIMSELF .- Last night a young man SHOT HIMSELF, —Last night a young man twenty-one years of age, named Christopher Franks, shot himself in the head, in Willow street, near New Market. It seems that he was in the employ of his tather, at No. 149 Willow street, and addicted to strong drink. Yesterday alternoon, on returning from attending to some business, his father observed that he was much intoxicated, and advised him to go home. He did so, and on reaching there it is said his mother expectulated with him on his conduct, mother exposulated with him on his conduct, whereupon he left the house in a state of indig-nation. He went to the house of one of his shopmates, named Thomas Keenan, and, with two others, named William Ingard and Jacob Daviger, went to a neighboring tavern and took a glass of beer. They then went out and pro-ceeded as far as Willow and New Market streets, ceeded as far as willow and New Market streets, when, deliberately pulling a large pistol from his pocket, he put it to his head and pulled the trigger. The ball entered the brain from near the left eye, and at a late hour last night the physicians at the Pennsylvania Hospital were endeavoring to extract it, with poor hopes of succers, and it was feared the rash act would prove ja:al.
