

NEW YORKISMS.

From Our Own Correspondent. NEW YORK, Nov. 13, 1868.

THE FILIBUSTERS have made up their minds to annex Cuba to the United States. The office of the United States Marshal is bristling with horror and the bastions of Fort Lafayette with guns.

Marshal Murray resembles him in both these particulars. The position of a reporter or of any newspaper man seeking news is no sinecure just now. No people can bear being bluffed off so blandly as the gentlemen of the Press—"God bless 'em, every one."

In consequence of the excitement the price of Spanish flies has risen, and no such thing as a mild Havana is to be had. In consequence of the pestilence nature of the interviews which they are obliged to seek, in the interests of their respective newspapers, special prayers are put up in St. Alban's Chapel for the reporters of sensation newspapers, commencing with the World.

Three thousand men are to leave for Cuba in fifteen days, or, if that is impossible, fifteen thousand men are to leave in three days. So great has been the run upon Colonel Gibbons and General de Pallakoff that the respective Landlords of these gentlemen raised their terms immediately, and sent in their bills at twenty-three minutes after five this morning. It is thought that they will repudiate.

SUSAN THE SENSIBLE took the chair on Wednesday evening, at No. 68 East Broadway, Botanic Hall.

The business of the hour was the permanent organization of the Workingwomen's Association.

The names of 250 city workingwomen were enrolled.

Any workingwoman may become a member by signing the articles of the constitution, and contributing one-cent postage currency per month.

The objects are the establishment of a sisterhood of workingwomen, the institution of stated meetings for social intercourse, the discussion of humanitarian and progressive ideas, the adoption of a co-operating and ameliorating plan, the forming of a fund for the benefit of members in sickness or misfortune, etc.

A nice little war was threatened between the workingwomen and a number of Sororists who were present.

Miss Anthony, the head and front of the Workingwomen's Association, is the Great North American Female Suffragist. Nobody can beat her in that line.

Now the Sororists are anything but Suffragists. What they go in for is tea and toast at Delmonico's, and if there is any "quail" on the toast, why the resemblance to a pig's foot, with a chicken-wing served on to it, is so much the more approved.

Quite a number of withering glances therefore ensued between the Suffragists and the Sororists.

No one was struck with palsy, however, and the result of the vote was that Susana was elevated to the office of Presidentess, and some enthusiastic admirer made a motion, which was not seconded, that \$25 should be given her as a recognition of her services.

In fact, the Workingwomen's Association is Progressive and the Sororists is Regressive. The one may sometimes awaken a suspicion of Blue Stocking; the other awakens a suspicion of open-worked silk stockings.

MADAME OLYMPE AUDOUARD is a genuine Countess, and at that account, more than any other, is a great success here. She appeared for the first time in this city on Wednesday night at the private theatre of the Union League Club House.

Her "recitations" are delivered in French, in order that she may be completely intelligible to the expectant and rose of Fifth avenue and Murray Hill.

Her dark eyes are full of two good things—passion and intellect. She rolls them together into one (passion and intellect—not her eyes) when she looks at you.

Her subjects were "Victor Hugo" and the "First Napoleon." She exploited the one and satirized the other, and was very warmly applauded. Leizack's French Grammar is having a large sale.

A NEW SLAUGHTER HOUSE has been erected at the foot of Forty-fourth street and East River. Its cost is \$100,000, and its architectural and slaughtering facilities are enough to make cattle in love with death.

PIKE'S OPERA HOUSE has been bought by Mr. James Fiske, as at first stated, and Mr. James Fiske has leased the entire building, excepting the theatre, its offices and entrances, to the Erie Railway Company for twenty years.

Opera is going to help Eric, and Eric is going to help opera. Art and Commerce are only brought into a closer union, and music and merchandise will transport and be transported together.

"PLANCHETTE'S DIARY" is the title of a pamphlet soon to be issued by Miss Kate Fisk.

MUSICAL AND DRAMATIC.

AT THE ACADEMY OF MUSIC this will be the last night of Barbe Biene, and at the matinee to-morrow this opera will be given for the first time. There will be no performance to-morrow night.

On Monday La Grande Duchesse de Gerolstein will be given, with Mlle. Tostes as the "Duchess" and the entire original cast. La Belle Helene will also be produced next week.

AT THE CHESTNUT THEATRE the drama of The Lancashire Lass will be performed this evening. On Saturday there will be a matinee.

AT THE WALNUT MR. E. L. Davenport will have a farewell benefit this evening. Tom Taylor's comedy of Bill Waters Run Deep, with the Mr. Davenport as "Captain Hawksley," and The Carpenter of Bowen, with Mr. Davenport as "Marion," will be given. We hope that the completion of a full house will be extended to Mr. Davenport this evening.

On Monday, Mr. Edwin Forrest will commence an engagement of ten nights, and will appear as "Cardinal Richelieu."

AT THE AMERICAN MADRIGAL Conchita Ronzatti, light-roper performer and danseuse, will appear this evening.

THE THEATRE COMIQUE, on Seventh street, below Arch, will open on Saturday evening with an attractive entertainment.

THE FIFTH SENTZ and Hessler matinee for

Saturday afternoon, in Musical Fund Hall, has an exceedingly rich variety. Mr. William Ewers, the celebrated cornet performer, will give one of his brilliant solos. The "Surprise Symphony" by Haydn will be performed for the first time this season.

CITY ITEMS.

SPLENDID ASSORTMENT OF FALL AND WINTER CLOTHING—Men's, Youths', Boys', and Children's. Choice stock of selected styles of Piece Goods, to be made to order.

Is SICKNESS AVOIDABLE?—Thousands tons of sick-heads to-day, who might have been well and hearty had they taken due precautions for the preservation of that most precious of earthly blessings, a sound mind in a sound body. Sickness, to a greater extent than most people suppose, is avoidable. When the body is languid, the spirits depressed, and the nervous system unnaturally sensitive, it should be taken for granted that mischief is brewing.

STRAWBRIDGE & CLOTHIER, Corner EIGHTH and MARKET, PHILADELPHIA.

A REVOLUTION IN THE DRY GOODS TRADE. Has been caused by the inauguration of the "FAIR VALUE FOR MONEY" SYSTEM ADOPTED BY THE "BEE-HIVE."

Old Stocks of dear-bought goods are reduced to "One-Half their Former Prices," AND ARE STILL "TOO DEAR BY HALF."

THE "BEE-HIVE" DOES NOT REQUIRE TO REDUCE THEIR PRICES THEIR STOCK. All New, Bought at the Bottom of the Market, and Sold at Fair Profits.

Outranks the supposititious bargains falsely promised by "Grand Sales" and "Important Notices."

THE "BEE-HIVE" is now offering BONA FIDE BARGAINS IN ALL THEIR DEPARTMENTS—no catch—every trial is made, but a cure and an equal moderation in price; in other words, "FAIR VALUE FOR MONEY" will be found to pervade all the stock.
