NEW YORKISMS.

From Our Own Correspondent.

New York, Dec. 8, 1868. GENERAL GRANT, having arrived here on Bunday by the 10

o'clock New Haven train, and engaged rooms at the St. Nicholas, is expected to "assist" at a fashionable wedding. The wedding is that of Major Benjamin to a

daughter of ex-Governor Fish. The morning wedding is expected to be followed by a grand evening reception, held by

dence, on Fifth avenue. General Grant will assist there also. Luckily, Mrs. O. Roberts' suites of rooms in-

They say that if Parton had not written that dreadful libel on smokers, in the Atlantic, he might have become the new President's private secretary.

All that I can say is, that if I should have drawn the prize I should feel towards Mr. Derby like a brotner. MR. ENGLAND'S ASSAULTER,

the writer of a thousand stories, all of them good, is in reality coming to this country early in February. He will bring with him his baoit of stopping at friends' nouses and relating impromptu talce.

He is going to be toted round by Professor Paul C. Linding, and if the readers of THE TRLEGRAPH are so willing to argue themselves unknown as to profess no knowledge of Professor Linding, I would remind them that he is a country man of Anderson's, and author of the new work of fistion, ' Robert Falton,"

It is understood that Wood's Museum has b ten trying to engage him for the 'Saturday's matinee of children, but Audersen rejects the offer with contempt.

CORONER FLYNN is continuing to make a fool of himself about

the Gate wood homicide. Superintendent Kennedy sent an attorney to represent him at the inquest, but the feroclous Flynn utterly refused to proceed with the inquest un'il Kennedy was forthcoming. Kennedy not forthcoming, the luquest was

adjourned. Thursday evening is set aside by the 7TH AND 22D REGIMENTS

for their grand concert and ball at the Academy

Music. Many Philadelphia ladies will be there, Attorney-General Brewster will assist, and

resent the 22d Regiment with a large silver punch-bowl on behalf of their Long Branch guests. REV CYRUS D. FOSS, of the M. E. Church, in Turry fourth street

The most profound portion of his discourse is the concluding statement, which is that he was never in a theatre in his life. There are ecough "stopids" in the world

FINE FRENCH CALF BOOTS AND GAITPRS.-The man who has never experienced the pleasure of wearing a pair of hoofs made by William H. Helweg, is to some extent an object of commiseration. speak knowingly, having worn Helweg's boots for years. Schenck's Palmonic Syrap, Seaweed Tonic and Mandrake Pills will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to the directions. They are all three to be taken at the same time. Tuey cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter tipens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure Consumption.

To these tures medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of Pulmonary Consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expect ration, for when the phiegm or matter is ripe a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood,

Folienck's Mandrako Pilis act upon the liver, removing all obstructions, relax the ducts of he gall bladder, the bi'e starts freely, and the iver is soon relieved; the stools will show what the Pills can de; nothing has ever been invented, except calomel (a deadly polson which is very dangerous to use unless with great care), that will unlock the gall bladder and start the secretions of the liver like Schenck's Mandrake

Liver Compinint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Palmonic Syrup and it is made into good blood without fermenta'lon or souring in the stomach.

The great reason why physicians do not cure Consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, heetic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the atient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarra-Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has consumption, of course the longs in some way are diseased; either tubercles. abscesses, broachiat irritation, pleural adhesion. or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting. but it is the whole body. Tue stomach and liver have lost their power to make blood out of food. Now, the only chance is to take Dr. Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs com. mence to beal up, and the patient gets fleshy and well. This is the only way to cure Consumption.

When there is no lung disease and only Liver Complaint and Dyspepsia, Scheuck's Seaweed Tonic and Mandrake Pills are sufficient, without the Pulmonic Syrup. Take the Mandrako Pills freely in ail billious complaints, as they are perfectly barmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weight two hundred and twenty-five pounds, was wasted to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cared by the aforesaid medicines, and since his recovery many thousands, similarly afflicted, have used Dr. Schenck's preparations with the same re' markable success. Full directions accompany each, making it not absolutely necessary to personally see Dr Schenck, unless patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond street, New York every other Tuesday, and at No 35 Hanover street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is \$5 Office hours at each city from 9 A. M. to 3 P. M.

Price of the Palmonary Syrup and Seaweed Tonic each \$1 50 per bottle, or \$7 50 a half dozen.
