Affairs in Baltimore—Changes in the French Cabinet—Progressive Movements in Spain.

FOREIGN.

By Atlantic Cable. Changes in the French Cabinet. PARIS, Dec. 18.—The Moniteur (official) had the following announcement of changes in the French Cabinet in its issue of last evening:—

Lavallette has been appointed Minister of Foreign Affairs, vice Moustier; Foscade, Minister of the Interior, vice Pinard; Gresuer, Minister of Public Works. Moustier has been made a Senator.

Pinard is popularly supposed to be responsible for the recent extreme measures against the French press, and it is thought this Cabinet re- construction grows out of the necessity for Pinard's retirement, and on that account a liberalization of the Government is anticipated from the change.

The Spanish Progressists. MADRID, Dec. 18.—At a large meeting of the "Progressists" at Carthagena, Espartero was named as the choice of that party for the throne. It is said that Marshal Serrano has resigned the Presidency of the Ministry. The elections for members of the Cortes will shortly begin in the cities. They will be held in the provinces a some future time. The provincial governor report that the public peace is not likely to be disturbed. The government will remain neutral in the elections. There was a slight demonstra- tion at Miranda yesterday, in favor of the Carlists, but it was soon suppressed, and two of the leaders were arrested. Meremon, bearer of a republican proclamation, was arrested yester- day at Madeira.

Marine Disaster. AMSTERDAM, Dec. 18.—The Bremen barque Flites, which was stranded off Vlieland a day or two since, will probably be a total loss. The crew will be saved.

The Maryland Collectorship—Sentenced for Manslaughter. Special Dispatch to The Evening Telegraph.

BALTIMORE, Dec. 18.—It is generally believed here by the friends of Moore N. Falls, appointed Collector for the Third Maryland District, that he will be confirmed. He is popular with all parties, but a Democrat and Seymour man. His tenure of office, however, will not last long after the 4th of March.

Judge Gilmer sentenced Denny, for the manslaughter of Childs, to one year in the penitentiary. The jury in the Montezuma case, United States against Morris, was discharged, being unable to agree.

FROM LOUISVILLE.

Recovery of Mr. Garvin's Body. Special Dispatch to The Evening Telegraph.

LOUISVILLE, Dec. 18.—1:30 P. M.—The body of William Garvin, who was lost by the recent Ohio river disaster, has been recovered. It is con- siderably burned, and was identified by dentists.

Senate. Continued from Fourth Edition.

WASHINGTON, Dec. 18.—Mr. Williams introduced a bill to provide for the better imple- mentation of the laws relating to the Territories. Mr. Abbott introduced a bill to provide for the payment of claims to loyal citizens of the States lately in rebellion. Referred to the Com- mittee on the Judiciary.

On motion Mr. Sherman, the Senate then went into Executive session, which lasted about fifteen minutes. Upon the reopening of the doors, Mr. Harlan introduced a resolution directing the Secre- tary of the Interior to communicate any infor- mation in his possession or of the department, House of Representatives.

Mr. Starkweather offered a resolution in- structing the Committee on Commerce to in- quire what legislation is necessary for the pro- tection of the fur seal of Alaska, and to regulate the taking of the same. Adopted.

Mr. Julian offered a resolution, instructing the Committee on Public Lands to inquire into the expediency of amending the Homestead Act, by allowing a partial settlement to be made before clerks of courts of record. Adopted.

Mr. Churchill, from the Committee on the Judiciary, reported a bill to extend the term of money in United States courts, and a bill to de- fine felonies and misdemeanors, and to regu- late peremptory challenges in United States Courts. Recommended and ordered to be printed.

Mr. Schenck offered a resolution directing the Secretary of War to inform the Committee of many commissioned officers of the army are detailed for duty in the Quartermaster's, Sub- sistence, Pay, Medical, and other departments of the army in and about the city of New York, how employed, etc., and whether the number of officers, enlisted men, and civilians so em- ployed cannot be reduced.

Mr. Jones (Ky.) offered a resolution directing the Secretary of the Treasury to inquire into the probable cost of erecting a suitable building for United States courts, revenue officers, and post offices in Covington, Ken- tucky. Adopted.

Also, petitions of citizens of Harrison county, Kentucky, for Government aid for the early completion of the Northern Pacific Railroad. Referred to the Pacific Railroad Committee. Mr. Mullins and leave to offer a preamble and resolution in reference to the Ku Klux Club. Mr. Edridge objected, saying that the lan- guage of the resolution was very scandalous on the gentlemen's (Mullins) friends.

On motion of Mr. Brooks, the Reconstruction Committee was authorized to send for persons and papers and to examine witnesses in refer- ence to the States of Georgia, Mississippi, Texas, and Virginia. Mr. Boutwell, from the Reconstruction Com- mittee, reported back the Senate amendment to relieve from political disabilities certain persons elected to office in South Carolina and other States. The amendment was concurred in by the requisite two-thirds vote.

Mr. Ferry, from the Post Office Committee, re- ported a joint resolution to allow Lewis D. Smith, postmaster at Michigan, \$1861, for the amount of public money and stamps, of which he has been robbed. After some dis- cussion a vote by tellers showed that there was not a quorum present.

The death of the late Mr. Finney, of Pennsylv- ania, was announced by his successor, Mr. Pettis, and remarks in eulogy of the deceased were made by Messrs. Potter, O'Neill, Randall, and Woodward.

One of the resolutions offered by Mr. Pettis on the subject having provided for a committee of nine to receive the remains of the deceased at New York, on their arrival from Brussels, and to accompany them to Pennsylvania, the Speaker appointed as such committee Messrs. Pettis, O'Neill, Randall, Lawrence (Pa.), Dawes, Blaine, Mullien, and Book.

The House then, at 1 45 P. M., adjourned until Monday next.

From St. Clair, Dec. 17, 1868:—

CITY ITEMS.

We have the evidence each day of numbers who purchase of us, after having examined other stocks, which, under different names, are being "sacrificed" than our goods are sold at. At low prices than any other clothing in Philadelphia.

The general experience is that such goods are NOT SO CHEAP AS REPRESENTED, and the pub- lic—those who have purchased them and those who have not—many of the former to their cost, are generally becoming aware of this fact.

OUR STOCK IS FULL AND COMPLETE, our assortment unbroken, we bring in receipt each day of large lots of new goods, replacing those sold, which are being manufactured not TO BE SACRIFICED, but to successfully compete with any other goods in the market in all respects, style, fit, make, or price.

WE IN GOOD FAITH carry out our established rule- now, as at all other times. 'We guarantee all prices lower than the lowest else- where; also, guarantee full satisfaction to every purchaser, or the sale cancelled and money re- funded.'

OPPOSITE OUR PATRONS and fully carry out this rule at present we have REDUCED ALL PRICES. WE RESPECTFULLY REQUEST buyers of clothing, after having examined the stocks which are being "sacrificed," to examine ours before purchasing. A FAIR TEST IS ALL WE ASK.
