DYSPEPSIA CURED for \$1. One box of Dr. Wishart's Great American Dyspepsia Pills (which cost \$1) are warranted to cure the most aggravated and longstanding case of Dyspepsia. Reader, we ask you a simple question. Is it wise to suffer all the agonizing torments of this wretched disease, when you can for the paltry sum of \$1 be cured? They can be had of Dr. Wishart at his Great Family Medicine Store, No. 232 North Second street, Philadelphia, where an excellent and regular practising physician will be found in attendance, who can be consulted free of charge. Sent by mail on re-

For the benefit of the afflicted we insert the following certificates of cure which kave been handed us for pulbication. Call and see the parties, and learn more concerning the efficacy of Dr. Wishart's wonderful remedies.

### Dyspepsia! Dyspepsia! Dyspepsia!

I, Elizabeth Branson, of Brandywine, Dal., formerly of Old Chester, Del., do certify that for one year and a half I suffered overything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervous debility; I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days. Under this immense suffering my mind seemed entirely to give way. I had dreadful horror and evil forebodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, every. thing appeared to be horror-stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be contented. I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide. So near was my whole nervous system destroyed, and so my mind, from that awful complaint, Dyspepsis, that my friends thought best to have me placed in Dr. Kirkbride's Hospital, at West Philadelphia. I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dys. pepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was fast giving way, and I continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his Great American Dyspepsia Pills and Pine Tree Tar Cordial, that saved me from an insane asylum and a premature grave. All persons suffering with Dyspepsia are at liberty to call on me or write, as I am willing to do all the good I can forsuffering humanity. ELIZABETH BRANSON, Brandywine, Del., formerly of Old Chester,

Dyspepsia! Dyspepsia! DR. WISHART:-I have been a constant suferer with Dyspepsia for the last eighteen years, during which time I cannot say that I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great relief to die. I had at all times an unpleasant feeling in my head, but latterly my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forebodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, rested upon my brain; also a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility, and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and, having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease, at my present age, forty five years, there was no cure in existence. But, through the interference of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspeps'a Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of affments and bad feelings, and in their place health, plessure, and contentment are my

every-day companions. JAMES M. SAUSDERS. No. 453 N. Second street, Philadelphia, formerly of Woodbury, N. J.

Dr. Wishart's Office, No. 232 N. Second street, Philadelphia. DR. WISHART has treated, in the past two

years, over ten thousand patients for Dyspepsia in its various forms, and in every case, where the medicine was taken as directed, it made a perfect cure. A number of the above cases had been treated by the most eminent physicians in this country and in Europe, and pronounced incurable, but under Dr. WIS-HART'S treatment were soon restored to perfeet bealth.
