ENUBERANT HEALTH is a blessing vouchsafed to few. Even those who have been favored by natura with strong constitutions and vigorous frames are ap to neglect the precautions necessary to preserve these precious endowments. Indeed, as a rule, the more sithy and robust a man is, the more libertles he inclined to take with his own physique. It is some consolation to the na'urally weak and seeble to know that they can be so invigorated and built up, by a proper use of the mea, a which science has placed at their disposal, as to have a much bet er chance of long life and exemptions from disease and pain, than the most athiet'c of their fellows who are foolish enough to suppose themselves invulnerable, and act

accordingly. It is not too much to say that more than half the people of the civilized world need an occasional tonic to enable them to support the strain upon their bodies and minds, which the fest life of this restless age occasions. In fact, a pure, wholesome, unexciting tonic is the grand desideratum of the busy militons, and they have the article in HOSTETTER'S ETOMACH BITTERS. It is a STAMINAL MEDICINE, i. c., it imparts permanent strength to wear systems and invicorates dellcate constitutions. Its reputation and its sales have steadily increased. Competitive preparations have been introduced ad libitum, and, as far as the public is concerned, ad nauseam, in the hope of rivalling it; out they have all either perished in the attempt, or been left far in the rear. It has been the OREAT MEDICAL SUCCESS OF THE PRESENT CENTURY, and it is quite certain that so proprietary med cine in this country s as widely known or as generally used.

Ten lightning presses, running incessarily (Sundays excepted) the whole year through, barely supply the demand for the Illustrated Almanac, in which the nature and uses or the preparation are set forth, the circulation now being over five millions a year.

Medens Bumonists .- Nasby, whose orthography is daily becoming more peculiar and mixed up, has determined to go to "Noo Yerk," where "Democray furlahes like a green ba tree" Mark Twain is now personating the 'Wickedest Man" in the Butcher Region, Nevada, where he is successfully stripping John Allen of all his notoriety. George Francis Train is by this time startling Omahaians with his Feriatic narangues, in which sententiousness and no sense are judiciously mixed. Alter is daily play ing practical (and benevolent) jokes on the community, by selling the very best of coal at the most moderate of rates. His large yard at No. 957 N. Nin'h street is the scene of constant activity.

FINE FRENCH CALF BOOTS AND GAITERS .- The man who has never experienced the pleasure of wearing a pair of boots made by William H. Helweg, is to some extent an object of commiseration. We speak knowingly, having worn Helweg's boots for years. Their comfort, however, is not their only recommendation, as they are made of the best mate rial and in the very best manner Helweg will not employ an incompetent workman; therefore his work is always first-class. His store and factory is

at No. 535 Arch Street, next to the corner of Sixth. AN ENTHUSIASTIC ADVOCATE. - 'My wife, from a six years' previous use of a Wheeler & Wilson Maof ine, came to the use of a Grover & Baker with reuctance. But in a few weeks prejudice vanished admiration successed, and now the Graver & Baker has no more enthusiastic advocate than she. The simplicity of his construction, the facility with which its use is acquired, the beauty, strength, and elasticity of its stitch, and its adaptability to all kinds of work, are qualities which do not all belong at once to any other merchine,"- Letter from Professor Henshaw, of Williston Beminary.

TELTH AND WHALTH .- Health depends upon our keeping our systems in proper tone. We often need the ald of tonics to do so. Try them and he convinced. Sold by Drugglats.

IT IS IMPOSSIBLE

FOR ANY HOUSE TO GAT THE PRICES DOWN AS LOW as we are now selling all our CLOTHANG, and the REASON for it can be vory easily seen. An appraisement of the stock was made under direction of the EXECUTOR, and then it was de termined to sell it at ONOE to make a quick settlement of the accounts of the former Firm.

To do this THE PRICES WERE ALL PUT DOWN, are that we GUARANTEE them fully TEN PER CENT. LOWER THAN THE LOWEST ELSEWHERE, OR GOODS TAKEN BACK AND CASH PAID OVER AGAIN WHEN SHOWN TO BE OTHERWISE.

It will be remembered that our Style, Make and Finish is FAR BET-TER than ordinary Ready-Made Clothing. Our large facilities always enable us to SELL CHEAPER THAN OTHER HOUSES; and now, under these special circumstances, it can be readily seen that this is THE opportunity to lay in a full supply.

We have still a very large stock (at least \$150,000 worth of Goods), and freshly supplied every day by new lots, as we are making up all the piece-goods we had on hand. As before announced, we continue to allow those whom it suits best to make selections and pay in instalments until all is paid up.
