The young man had received considerable money from Caleb Cope, \$10, and from P. W. Welsh & Co., \$50. -At a meeting of the Guardians of the Poor held yesterday, the Out-door Agent reported collections for support cases amounting to \$949-50. The Steward reported house receipts at \$300. The capital stock of the association has been in-creased during the year \$1239.56, and now aggregates \$36,599.17. The report contains some practical suggestions in relation to the necessity of a rigid enforcement of the law regulating hatchways in storehouses. Trustees denounce the practice of fast and reckless driving of steam tire engines through the streets, and reaffirm their determination not to grant any relief to a driver or engineer who may be hurt by reason of the reckless driving of a steam engine on which he may be riding. The following per ons were elected Trustees to serve for three years: - William T. Butler, Daniel R. Murphey, Edward D. Yates, John Souder, Wm. J. Pascoe, William Y. Campbell, W. Aug.
