HARRISBURG WASHINGTON.

The Debate in the Legislature-Bates' "History of our Volunteers"-Proposition to Print Three Thousand Copies.

CRIME IN BALTIMORE,

THE STATE LEGISLATURE.

Bannishung, Jan. 23.—The bill to create an inspector; or Grugs was reported with a negative recommendation.

The Committee on Conference, through Mr. Conneil reported that they had settled the differences between the two houses on the question of ordering copies of Bates? "History of Our Voignteers," and reported in favor of sirecting the State printer to furnish sixteen hundred copies to the Senate, twenty-eight hundred to the House, four hundred to the Governor, one hundred to the State library, and fifty to each of the chief clorks of the Legislature for she officers of the two branches.

Mr. Fisher thought the matter should not be considered until Mr. Cimstead's resolution of yesterday (re alive to the price to me paid, making it the confidered until Mr. Cimstead's resolution of yesterday (re alive to the price to me paid, making it the confidered was a passed. This bistory would entail an enormous expense on the State, and he regretted that he had last year voted for any appropriation to it.

Mr. Conneil said the book had been already

Mr. Connell said the book had been already

Mr. Connell said the book had been already printed.

Ar. Davis asked by whose orde?

Mr. Connell said he did not snow, but the printing expense had already been increased.

Mr. White said he was anxious to have a record of our scidiers published, but to be true to its determination to practise economy, the Sense should no approve of this expenditure without consideration.

Mr. Davis asked who assumed the responsibility of ordering the books to be printed without the authority of the Legislature.

Mr. Wallace said the book was an outrage upon the people and so far as the printing of it was concerned, if the Legislature aid not order it, they should not be called on to shoulder the loss.

Mr. Coleman said that if the work was ordered i should be paid for; if not ordered, it should not be paid.

Garroting and Robberles.

Special Despatch to The Evening Telegraph. BALTIMORE, Jan. 29 .- Depredations such as garroting, waylaying, knocking down, and robbing people on our public streets at night have increased fearfully of late. Last night Richard Piper was garroted, robbed of his watch and money, and beaten by rowdies. There is at present as unusual number of these desperadoes, thieves, pick pockets, etc., mostly all strategys providing about the streets. all strangers, prowling about the streets.

Commodore Purviance, so badly injured by being knocked down by them night before last, is now recovering and out of danger.

The Great "Kentucky Bourbon" Case Turns up in Louisville. The Louisville Courier-Journa! of the 27th

BAY6:-The case of the United States vs. The Kentucky Bourbon Company was called for trial yesterday in the District Court of the United States, G. C. Wharton, Assistant District Atterney, sppearing for the Government, and Martin Bijur, Esq., attorney for the claimants. The jury was sworn and the case laid over until Thursday, the 28th inst. The property seized in this case has been valued, by appraisers ap-pointed by the court, in the sum of \$16,140. The Government alleges six grounds of fortel-

ture of the saud distillery. First. That the owners and superintendents of the said distillery exercised and carried on the business of rectiners without having made payment of the special tax, as in that behalf

Second. That the owners and superintendents carried on the business of manufacturers of flour on the same premises on which the business of distilling was carried on.

Third. That the owners and superintendents

of the said distillery carried on the business of rectifiers, and rectified a large amount of spirits, and failed and refused to enter in a book required by law to be kept for that purpose the amount of spirits so rectified.

Fourth, That the owners and superintendents

of the said distillery carried on the business of distillers and distilled a large quantity of spirits, and tailed to enter the amount of spirits so distilled in a book required by law to be kept for that purpose.

Fifth. That the owners and superintendents of the said distillery carried on the business of distillers and rectifiers on the same premises. Sixth. That the owners and superintendents of the said distillery did not comply with the law in reference to the cistern and cistern room required by law to be erected in the said dis-

Death of Baker the Notorious Outlaw

A letter from Jefferson, Texas, Jan. 9, says: -Cuilen Baker, the outlaw and wholesale murderer, has finally been killed, and, what would appear to be the strangest circumstance, he was killed by a sort of a ghost—a dead man come to life sgalu. I have seen both the body of Baker and the ghost. About four weeks ago Baker went to the house of his brother-in-law, a Mr. Thomas Orr, residing in Latayette county, Arkansas, broke down the door, and took Mr. Orr and their mutual father in-law, a Mr. William Foster, ned their hands behind them, and thus kept them prisoners during the night. In the morning he hanged Mr. Orr by the neck until he supposed him dead; he then cut down his body that he might use the rope to hang his fatherin law, who was, however, afterwards released.

After Baker's gang had gone Mr. Orr revived, and on the 6th instant, with the assistance of some friends, caught Baker and killed him and one of his men, Kirby by name. A reward of two thousand dollars had been offered by this State for Baker, "dead or alive," and one thou-sand has been offered by the State of Arkansas.

Audrew Johnson's Aspirations.

The Memohis Post of Wednesday says: - "It will be remembered that the Avatanche some time since, in a lengthy editorial, brought out Andrew Johnson as the Conservative caudi-date for Governor. Yesterday's Nashville special date for Governor. Testerday stassiving special to that journal says that it is now authoritatively announced from Washington that Andy is anxious to enter the Gubernatorial race. His profuse offers of office to a certain class of Tenuessee Republicans within the past few weeks have convinced us that he was not satisfied with the incalculable injury he has inflicted upon the nation, but was hoping to bring our Common-wealth again under his malign influence. It becomes the Republican party to guard against his insidious approaches. We have men in our ranks who, from their pretended Republicanism, hope to furnish him with powerful co-operation. Such traitors must be spotted, and their power for evil promptly destroyed,"

STAMP AGENCY,

PULMONIC SYRUP,

SEAWEED TONIC, and MANDRAKE PILLS

WILL CURE

CONSUMPTION. LIVER COMPLAINT,

AND DYSPEPSIA.

If taken according to the directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure Consumption.

To these three medicines Dr. J. H. SCHENCK of Philadelphia, owes his

UNRIVALLED SUCCESS

In the treatment of Pulmonary Consumption, The Pulmoule Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest, and the lungs begin to heal, To do this, the seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Palmonic Syrap and food

SCHENCK'S MANDRAKE PILLS

will make good blood.

Act upon the liver, removing all obstructions. relax the ducts of the gall bladder, the bite starts freely, and the liver is soon relieved; the stools will show what the pills can do; nothing has ever been invented except calomel (a deadly poisen, which is very dangerous to use unless with great care) that will unlock the gall bladder and start the secretion of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most Prominent Causes of Consumption.

SCHENCK'S SEAWEED TONIC

Is a gentle s'implant and alterative, and the alkali in the seawced, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Palmonic Syrup, and it is made into good blood

without fermentation or souring the stomach. THE CREAT REASON

Why physicians do not cure Consumption is, they try to do too much; they give medicines to stop the cough, to stop chills, to stop night sweats, heetle fever, and by so doing they derange the whole directive powers, locking up the secretions, and eventually the patient sinks

Dr. SCHENCK, in his treatment, does not try to stop a cough, night aweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspeosia, Catarrh, Canker, Ulcerated Torost, unless the liver and stomach are made healthy.

If a person has consumption, of course the lungs are in some way diseased, either tubercles, abscesses, broncheal irritation, plueral adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Dr. SCHENCK's three medicines, which will bring up a tone to the stomach. the patient will want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and west. This is the only way to cure Consumption.

WHEN THERE IS NO LUNG DISEASE.

And only Liver Complaint and Dyspepsia. Schenck's Seaweed Tonic and Mandrake Pills are sufficient, without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious

cases, as they are PERFECTLY HARMLESS.

Dr. SCHENCK, who has enjoyed uninterrupted health, was wasted away to a mere skeleton, in the very last stage of Pulmonary consumption, his physicians having pronounced his case hopeless, and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompany each, making it not absolutely necessary to personally see Dr. Schenck, unless patients wish their lungs examined, and for this purpose he is protessionally at his Principal Office,
