THE GREAT PEACE JUBILEE AT BOSTON can no longer be considered as a doubtful experiment. Financially, its success has been placed beyond peradventure, while musically, the indications are more favorable than the most sanguine expectations of its navorable than the most sanguine expectations of its originators; the great chorns, the largest the world has ever seen, is now full, and the orchestral ranks are rapidly filling up. The superintendent of chorus, Mr. E. Tourjee, has found it necessary to issue a circular stating that no more choral organizations can be accepted, and that societies already accepted must make no more additions to their numbers.

A HOUSEHOLD ELIXIB ADAPTED TO ALL CLIMATES .-It would be a happy thing for the world if all the excitants at present used in the practice of medicine could be swept out of existence, and HOSTETTER'S STOMACH BIT-TERS substituted in their place. There is a probability, too, that this desirable substitution may one day be accomplished. Certain it is that the GREAT VEGETABLE TONIC is gradually displacing them, and that the confidence of the people in its sanitary and saving properties increases with every passing year. "Figures that cannot lie" show this to be the fact. No medicinal preparation enjoys the like popularity among all classes and conditions in every section[of the country. As an appetizer, a general invigorant, a remedy for indigestion, a cure for intermittent and remittent fevers, a gentle cathartic, a specific for flatlency and sour stomach, a gentle diuretic, a nervine, a blood depurent, a specific for sick headache, a mild anodyse, and above all, as a PROTECTION AGAINST EPIDEMICS, it is unquestionably the STANDARD MEDICINE of the whole United States. In the towns and cities it is literally a HOUSEHOLD STAPLE. Mothers believe in it. They find it a "present help in time of trouble"-a safe and pleasant remedy for the various allments to which their sex is exclusively subject. Men believe in it because it refreshes and invigo rates the body and the mind, and tones both without

A GREAT REMEDY

FOR THE CURE OF

THROAT AND LUNG DISEASES

DR. WISHART'S

PINE TREE TAR CORDIAL.

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its lighest medical properties are retained. It is the only safeguard and reliable remedy which has ever been prepared from the juice of the Pine Tree. It invigorates the digestive organs and restores the ap-

It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofuls breeds on the lungs. It dissolves the mucus or phlogm which stops the air-

passages of the lungs.

Its healing principle acts upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subduing inflammation. It is the result of years of study and experiment, and it is offered to the afflicted with the positive assurance of its

power to cure the following diseases, if the patient has not too long delayed a resort to the means of cure :-Consumption of the Lungs, Cough, Sore Throat and Breast, Bronchitis, Liver Complaint, Blind and Bleeding Piles, Asthms, Whooping Cough, Diptheria, etc. etc. We are often asked why are not other remedies in the

market for Consumption, Coughs, Colds, and other Pulmo nary affections equal to Dr. L. Q. C. WISHART'S Pine Tree Tar Cordial. We answer ; Ist. It cures, not by stopping Cough, but by loosening and assisting nature to throw off the unhealthy matter col-lected about the throat and bronchial tubes, causing irri-tation and cough.

2d. Most Throat and Long remedies are composed of anodynes, which allay the cough for a while, but by their constringing effects the fibres become hardened, and the unhealthy fluids coagulate and are retained in the system, causing disease beyond the control of our most eminent physicians. 3d. The Pine Tree Tar Cordial, with its assistants, are preferable, because they remove the cause of irritation of the nucous membrane and bronchial tubes, assist the lungs to act and throw off the unhealthy secretions, and purify the blood, thus scientifically making the cure perfect.

Dr. WISHART has on file at his office hundreds and thousands of Certificates, from Men and Women of unquestionable character, who were once hopelessly given up to die, but through the Providence of God were completely restored to health by the Pine Tree Tar Cordial. A Physician in attendance, who can be consulted in person or by mail, free of charge. Price of Pine Tree Tar Cordial, \$150 per bottle, \$11 per doz. Sent by Express on receipt of
