CHAMPION SAFES.

UNSUCCESSFUL BURGLARY. LETTER OF MESSRS. DAVID DOWS & CO.

NEW YORK, April 10, 1869, HERRING, FARREL & SHERMAN, No. 251 Broadway.

Gents:-On the night of the 22d ultimo, our store No. 20 South street, was entered, and a desperate attempt made by burglars upon one of your safes in our counting-room.

The key to the safe n which we kept our securities was locked inside of our fire-proof book safe, the doors of which were literally cut to pieces; from this they obtained the key to the other safe and opened tt. Fortunately we had one of your Burgiar-Proof Banker's Chests inside, in which our valuables were deposited. This they went to work at with a will, and evidently used up all their time and tools in vain attempts to force it. The night was dark and stormy, and the fact of their knowing where our key was kept shows that their plans were well matured. They tried wedging the door and body of the Chest, and the faithful safe bears evidence of the labor and skill devoted to the work. All was useless, and it is with great satisfaction we report that upon opening it we found our securities all safe, and can therefore cheerfully indorse the Burgiar-Proof work recommended

You will please send the new safe purchased by us to our counting-house, and take the old one, to show that some safes are still manufactured worthy of the DAVID DOWS & CO. name.
