KEEP THE CIRCULATION ACTIVE.-A free and regula circulation of the blood is essential to health. It places the whole system in a state of active defense against all unwholesome influences, and is an especial safeguard against the inimical effect of audden changes of tempera ture, and of damp and cold.

If proper attention were paid to this important fact, there would not only be a great decrease in the number of cases of stomach, bowel, and renal complaints, but also in the number of deaths by consumption and other pulmonary diseason

At this period of the year, when the dividing line which separates a genial from an inclement season has just been passed, a course of Hostetter's Stomach Bittens will be found of invaluable service in improving the condition of the vital fluid and gently stimulating its flow. Violent coughs and colds, like intermittent fever, are the frequent effects of a chilly atmosphere upon a debilitated organization. Diseases of the kidneys often proceed from the same source. How essential it is, therefore, for persons of feeble constitution to invigorate the vital organization at the ment of winter! Fortified by warm clothing without, and HOSTETTER'S BITTERS within, the frail and delicate may brave with impunity any amount of exposure and hardship which, under other circumstances, would prostrate them on a bed of sickness. Let them consider this and be wise in time.

THIS GRAND CLOTHING SALE

Is in every respect a duplicate of the GREAT EXECUTORS SALE held one year ago, seh the people well remember they secured the

Best Bargains in Clothing that they have ever made in their lives.

THIS IS THE STATEMENT OF OUR CASE:

Anticipating, as did all Merchants, an unus ually brisk trade, we invested EIGHT HUNDRED THOUSAND DOLLARS (\$800,000) in the purchase and manufacture of Clothing. Our sales have exceeded last year's, but have fallen short of our calculations—amounting to the present time for Fall Trade to about \$450,000, leaving us Three Hundred and Fifty Thousand Dollars' work of Garments of every description, suitable to all classes, made up with the utmost care, of the very finest materials, NOT ONE DOLLAR'S WORTH OF WHICH are we willing to carry over into next year; hence we are determined at all hazards to make a

CLEAN SWEEP.

We, then, offer OUR ENTIRE STOCK at prices as low as those prevailing at the Great Sale of last Fall, bringing some of our prices far below the cost of manufacturing.

HEAVY DISCOUNTS IN THE "CUSTOM" AND FURNISHING GOODS DEPARTMENTS, AND WHOLE STACKS OF

Boys' Clothing at less than the cost of manufacturing. Call and see for yourself. We surely have something you want, and you shall have it if any reasonable accommodation of prices will induce you to buy. REMEMBER, EVERY GARMENT IS TO BE SOLD.
