#### FRANCE.

PARTICULARS OF BOCHEFORT'S ARREST. Paris, Feb. 8-Noon.-The following details of the disorder in the Northeastern Arrondissements are gleaned from the news-

Rochefort was arrested as he was on the point of entering a political meeting, in the Rue de Flandre, running from Belleville to La Villette. Although there was a great crowd of people present, and mainly of his own partisans, be made no resistance and no appeals to the crowd.

RECEPTION OF THE NEWS.

As soon as the arrest was made known to the meeting the wildest scenes occurred. Gustave Flourens, who presided, rose excitedly, drew a sword, fired his revolver, and declared that the insurrection had begun. The meeting broke up in disorder.

BARRICADING. The crowd, under the leadership of Flonrens, immediately proceeded to barricade the streets. This was accomplished without loss

of time, by the appropriation of omnibuses and other vehicles from stables in the neighborhood. The Commissary of Police, who accompanied the guard charged with the duty of arresting Rochefort, was forced along with the crowd and badly maltreated. The district lying between the Rue Faubourg du Temple and the fortifications at La Villette, a distance of about two miles, was in possession of the rioters.

ATTACK ON A BARRICADE REPULSED. At 11 o'clock a body of police charged the barricade in the Rue Faubourg du Temple, and attempted to carry it, but were repulsed. One of the Commissioners was dangerously wounded, and one policeman killed. At other places barricades had been erected, but were not defended.

THE MILITARY CALLED OUT. The military are now out in force, but thus far have made no use of their firearms, al though the insurgents have. The latter had pillaged the armories, and in that way obtained their weapons. Several policemen were wounded with these in the skirmishes in the morning.

NUMEROUS ARRESTS.

A great number of arrests have been made. and at 3 A. M. over three hundred persons had been imprisoned in the barracks. Many of these were mere boys, all armed, and most of them under the influence of liquor.

THE LEADER OF THE MOB. It is reported that Gustave Flourens, who is looked upon as a leader of the rioters, has been arrested, but this is not confirmed. He is said to have announced to his mother, before going from home to the meeting, that if Rochefort were arrested she probably would never see him again.

At this hour all is quiet.

THE RIOT DISCUSSED IN THE CORPS. Paris, Feb. 8-6 P. M.-In the Corps Legislatif to-day, M. Keratry, one of the Liberal Deputies, demanded to know why Rochefort was not arrested before he started for a political meeting where five thousand persons were assembled. It was not necessary that this meeting should be thus disturbed, and the people who were participating were aroused to violence. The act of the Government was a provocation to the disturbances which took place.

A member of the Ministry explained that the authorities had refrained from arresting Rochefort at the Chambers to avoid the scandal to which his arrest at such a place would have given rise. He asserted that the friends of Rochefort were prepared to make the demonstration which they had made, and upon this fact the Ministry would rest the respon-sibility of what had taken place, and the country would judge between the Ministry and the rioters. He said there need be no necessity for the people to fear, the Government was animated by the best sentiments

toward them. The Minister of the Interior followed with the assertion that the friends of Rochefort had determined on a demonstration, had he

been arrested at the Chambers. M. Ollivier praised the conduct of the police in dealing with the disorders, and said they had acted with prudence and humanity.

TRANQUILLITY RESTORED. Paris, Feb. 8-10 P. M. -At noon to-day tranquillity had been restored in all the districts where disturbances arose last night, and up to this hour the city has remained quiet.
