NEWS SUMMARY.

City Affairs. -The frame buildings attached to the West Philadelphia Skating Rink were destroyed by fire about 12.15 e'clock yesterday A. M.

-Detective Levy yesterday returned from New York, bringing with him Charles Brown, alies Myers, charged with being concerned in the burglary of Mr. Esau's house, Germantown, committed some time ago.

-Early on Sunday morning, a small safe in the office of the Tiger Hetel, on Vine street, near Fourth, was carried into the yard by thieves, probably with the intention of taking it from the premises altogether. The operators were, however, discovered when they had reached the yard, and made their escape through the gate.

An attempt was made on Friday night to break into the store of Thornley & Chism, at Eighth and Spring Garden streets, but the operators were discovered and effected their escape. Five large bags were left behind, with which they intended to remove the choicest of the stock.

-During an alarm of fire about 1 o'clock yesterday morning, Mr. John F. Meeser, boarding at the house of Mr. Joseph Mountain, northeast corner of Sartain and Poplar streets, went up stairs to look out of a thirdstory window for the fire. While he was in the act of opening the shutters he fell to the pavement, striking his head against the curbstone, killing him instantly. The deceased was thirty-nine years of age, and was a brother of William Meeser, propriet or of the Sunday Mercury.

-Yesterday afternoon a man named John Wright, while in a lager-beer saloon on Apple street, above Brown, became engaged in a quarrel with a party of young men. They finally knocked him down and kicked him about the abdomen. He was taken to a friend's house in the vicinity, and Dr. Piper being called in, he pronounced Mr. Wright's injuries to be of a serious character. The injured man was subsequently removed to his home, No. 126 Christian street. William and Frank Coffin and Charles Snyder, alleged to have been concerned in the affray, were arrested and locked up in the Seventh District Station-House to await a hearing. The police are after others of the party.

Domestic Affairs. -Gold closed on Saturday at 114%. -A reduction in the public debt at least equal to that of last month will be shown by

the forthcoming statement. -Delano's estimates are in a fair way of being realized. The receipts for the fiscal

year will, it is thought, certainly reach \$175,-000,000. -The privilege of putting prisoners in the city prisons was, on Saturday, refused the United States Marshal by the Salt Lake City

-When Gen. Garfield's banking bill comes up in the House, Gen. Schenck will move to strike out the sections relating to funding, and it is thought the amendment will be

Foreign Affairs. -Serrano has been rejected for King by a caucus of the Spanish Cortes. -Prim says he will resign if Serrano re-

fuses regal rank. -A vigorous search is ordered by the Spanish Government for the Englishmen captured by brigands near Gibraltar, and any ransoms paid will be refunded.
