MUSICAL AND DRAMATIC.

The City Amusements. AT THE WALNUT Mr. Joseph Jefferson appeared last night as "Rip Van Winkle." Many of this actor's admirers are inquiring why he never, even for the sake of variety, gives "Rip" the go-by for a few nights, and tries some of the fine old comedy and farce characters in which he was once so famous, if only for the purpose of finding out whether he has not become so much Rip Van Winkleized that he has forgotten how to play them. A sufficient answer to this query could be found in the im-mense audience that crowded the Walnut last evening in spite of the dismal weather. produces a rich return of both profit and honor, and so long as the public engage in a scramble for seats when he is on the boards, it is perhaps scarcely worth while to run the risk of causing or "Woodcock." It would be a gratification, however, to many of Mr. Jefferson's admirers if he would at least give a short lively farce

disposed of, if only to show the playgoing pub-lic of the present day what he is able to do in With regard to Mr. Jefferson's personation of "Rip Van Winkle," it is not necessary that we should make any extended remarks. It has been criticized so often that the public are probably tired of reading about it, even if they are not tired of seeing it; and in despair of being able to originate any new ideas with regard to it, it need only be said that Mr. Jefferson acted the part last evening with all his accustomed skill, and amid the smiles and tears of an audience that filled the house from parquet to dome.

AT THE ARCH Mr. John Brougham will

every evening after the main attraction has been

appear this evening as "Dr. Savage" in his own comedy of Playing with Fire. AT THE CHESNUT a variety cotertainment is

appounced for this evening. THE RICHINGS ENGLISH OPERA TROUPE WILL open on Monday next at the Academy of Music, with Adam's comic opera of The Postilion of

On Tuesday Meyerbeer's opera of The Haguenots will be given for the benefit of Mr. S. Behrens, the musical director. This great opera has not been performed in this city for several years, and it has never been given in English. Since the Richings troupe have added it to their repertoire, they have performed it with great success in several cities; and as unusual care will be bestowed upon its production in this city, a very fine entertainment may be expected. Mr. Behrens is so well known and so highly esteemed in this city that with such a benefit bill he can surely expect a crowded house.

The sale of seats for the season will commence on Thursday at Boner's, No. 1102 Chest-nut street. The tickets for Mr. Behren's benefit will be ready to-day.

AMATEUR DRAWING-ROOM CONCERT .- The entertainment given at this charming little place last evening "for the benefit of an invalid lady" was in all respects a grand success, the house being filled with a highly fashionable and intellectual audience. The performance consisted of a grand vocal and instrumental concert, the following distinguished artists having kindly proffered their services:-

Miss Pauline Nininger, soprano, pupil of Pro-fessor Ettore Barili; Miss Caroline McCaffrey, contralto; Mr. Thomas Burke, tenor; Mr. baritone: Mr. Henry G. Thunder, pianist; Mr. William Stoll, violinist, and Mr. William G. Dietrich, accompanist. The piano used for the occasion was "the Weber Grand Plano," from the warerooms of J. A. Getze, No 1102 Chesnut street. It was admirably handled by Professors

Thunder and Dietrich.

The introductory violin solo, "Fantaisie la Favorite," by Mr. William Stoll, was neatly rendered, but lacked the essentials of an eminently satisfactory performance. His "Polo-naise" was decidedly better, and was given with the true spirit of an artist. The solo, "The Way to Paradise," by Miss Caroline McCaffrey, was teuchingly rendered. Her voice is truly exthe and enunciation perfect. In the due, "N la Vallea," she displayed both artistic execution and expression. This was followed by the descriptive ballad of "The Storm," than te and enunciation perfect. In the duet, which nothing could have been more acceptable, if we except her plaintive ballad of "God bless you," that elicited rapturous applause, bless you," that elicited rapturous applause. The debut of Miss Pauline Nininger was the notable event of the evening. She is quite youthful, and dressed with exceeding good taste. Her voice is a pure soprano, and in the rendition of the 'Grand Waltz' and 'Cavatina,' from Traviata she displayed the most careful and artistic cultivation. We omen most favorably of this young lady's career, and predict that she will in future fairly rival some of our most distinguished cantatrices. Her accompanist was

Signor Barili. Mr. — and Mr. Thomas Burke were very acceptable and acquitted themselves artistically.
Mr. Thunder's piano solos were deservedly applauded for their artistic execution, and the accompaniments of Mr. Dietrich to the several solos, vocal and instrumental, all that could have been desired. We noticed that Miss Pauline Nininger and Miss Caroline McCaffrey were the recipients of two magnificent bouquets, which were worthily bestowed and gracefully received. The audience retired about ten o'clock, both gratified and charmed with the entire entertainment, which doubtless conferred a similar pleasure on the worthy beneficiare.

NEW STYLE PICTURE.—The German Chromos made by A. K. P. Trask, No. 40 N. Righth street. They must be

seen to be admired. THE FACTS AS THEY ARE

We began in 1864 to make improve-ments in the style and make of Ready-made Clothing, and continued to do so, introducing new styles and ideas every year, so that the entire character of the business is now vastly better and totally different from the system of older houses.

Our first idea is to learn exactly what the customer wants, and, in sead of persuading him to buy what may be most conveniently at hand, we take the utmost pains to meet HIS Customers Want

The Building we occupy is the most convenient, largest and best adapted for the business of any in Philadelphia. Customers can see what they are buy-ing, our establishment being on the co-mer of three large streets (Market, Sixto and Minor street). Abundant light is offered from all directions. A light store is far better for customers than a dark one.

Merchants know that our sales are larger than those of any other house in Philadelphia in our line; hence we have to buy larger quantities of goods, and oget them at lower prices. Buying cheapest, we can sell cheapest. We closely examine every inch of goods that comes into our Establishment, in-variably rejecting all imperfect, moth-eaten, and tender fabrics.

The time wasted in looking over the stocks of a dozen stores can be avoided, for, under one roof, we offer for alle an assortment equal in variety and extent to that embraced by a score of the ordi-

We have 1000 hands employed in the manufacture of Clothing, who are constantly making up stock to take the place of that daily sold; this gives our customers new and fresh goods to make selections from.

It is an undisputed fact that this Department (a large Hall on our second floor, fronting on Minor street) has nothing in Philadeiphia to equal it. We have here concentrated the best skill and workmanship, and those who prefer Clothing made to order really have advantages they do not receive elsewhere. DEDUCTIONS.

From all of the above we deduce this one fact, that Oak Hall has ALL the advantages of any other Clothing Establishment in the city, and, in addition, Ist.—A firm composed of young men of the present generation, fully in sympathy with the tastes of the day.

2d.—An insight into the WANTS OF THE PEOPLE, and an ENTERPRISE to meet these wants, which, in ten years, has placed Oak Hall in a position not always attained in an experience of twenty-five

Ed.-A building BETTER LOCATED, BETTER LIGHTED, BETTER ADAPTED, and newer in all its appoint-4th.—Workmen, especially Cutters, who are not only from among the best and most experienced, but are artists in their professions, and couple with good work a STYLISHNESS in which Philadelphia Tailoring has been particularly deficient.

28 It is the liberal patronage with which we have been favored that has enabled us to offer the UNFARALLELED ADVANTAGES, and this patronage continued and extended will MULTIPLY advantages, which we divide between our customers and ourselves.

A visit to Oak Hall will PROVE every fact above stated. WANAMAKER & BROWN, OAK HALL.

WASHINGTON LATEST

Secret Message from the President.

A Foreign Power Wants Samana

The Indian Tobacco Seizures. The Commerce Bill Killed.

Etc., Etc., Etc., Etc., Etc.

FROM WASHINGTON.

The Sandwich Islands Treaty. Despatch to the Associated Press. WASHINGTON, May 31 .- The Senate shortly after 1 o'clock went into executive session to consider the question of ratifying the reciprocity treaty with the Sandwich Islands. Mr. Sumner, chairman of the Committee on Foreign Relations, took the floor and is delivering a long speech in favor of the ratification. It is expected the subject will be up all day.

Samana Bay-Startling Rumor. The Government has official information that a first-class European power, possessing only a few seaports, has offered to the Dominican Government two millions of dollars for the Bay of Samana, in case the treaty now pending between the United States and that Government is not ratified by the Senate.

The Fifteenth Amendment Bill. The President to-day signed "The act to enforce the rights of citizens of the United States to vote in the several States and for other purposes."

The Alaska Seal Fisherles. The Secretary of the Treasury has given permission to Kolb, Hutchinson & Co., of San Francisco, and Williams and Hoven, of Connecticut, to send their steamer Alexander from San Francisco to the Seal islands, Alaska, to take the skins of last year's catch, now there, to San Francisco, where they will be subject to the orders of the Treasury Department.

The Indian Tebacco Selzure Case. The following telegram, addressed to Commissioner Delano, dated Little Rock, Arkansas, May 30, has been received:—
The Indian tobacco seizure cases were decided on

the 23d inst., at Van Buren, before his Honor Judge Henry C. Caldwell, and all the property seized is forfeited to the Government, and all the parties are indicted. The tobacco thieves are utterly crushed and the laws are triumphant. Judge Caldwell holds and the laws are triumphant. Judge Caldwell holds that the laws of Congress are paramount to any treaty, whether domestic or foreign, and that all the internal revenue laws relating to tobacco extend to all portions of the Indian Territory. The jury without leaving their seats found a verdict for the Government after instructions from the court. Have sent official letters. Accept my congratulations for the success of the administration.

JOHN McDonald,

Supervisor of Internal Revenue.

The Commerce Bill Killed. Special Despatch to The Evening Telegraph.

The House by a vote of 60 to 109 has refused to order Mr. Lynch's bill to a third reading under the rules. This insures its defeat. The President's private secretary has announced to the House his approval of the bill to enforce the fifteenth amend-

The San Domingo Trenty. The President sent a secret message to the Senate to-day proposing amendments to the San Domingo Treaty, and also extending the time for the exchange of the ratifications to July 1. National Holidays.

CONGRESS.

Continued from the Third Edition. The amendment was sgreed to—yeas, 115; nays, 59. Tu-The amendment was sgreed to—yeas, 116; nays, 52. The substitute offered by Mr. Lynch was amend d by striking out, on the motion of Mr. Cox, the provise allowing an equivalent for drawbacks where American materials are used, and by adding on the motion of Mr. Reeves, the words "lead, copper, and coppers sheeting."

The amendment of Mr. Schumaker to the second section, adding supplies necessary for repairs, was not adopted to the substitute, objection being made by Mr. Kelsey.

The substitute as amendment was agreed to and the House then refused to order the bill to be engrossed and read a third time—yeas, 60; nays, 109. This, according to the rule, was a rejection of the bill.

Mr. Maynard moved to reconsider the vote, so as to have the bill recommitted.

M.r Allison moved to lay that motion on the table.

The House refused to lay the motion to reconsider on the table—yeas, 72; nays, 92—and the vote was reconsidered.

reconsidered Mr. Maynard then moved to recommit the bill to the select committee, with power to report at any time. (Several members, "no! no!") Mr. Brooks, of New York, remarked that that killed the bill for this session. (Several members, "that is what we mean to do!"

Mr. Randall suggested that it was killed already.
Mr. Ingersoll moved to lay the bill on the table. Negatived.
The bill was then recommitted to the select com-

Celebrated Patent Sofa Bedstead

Is now being made and sold in large numbers both fin France and England. Can be had only at the manufactory. This piece of furniture is in the form of a handsome PARLOR SOFA, yet in one minute, without unscrewing or detaching in any way, it can be extended into a besutiful FRENCH BEDSTEAD, with Spring Hair Mattress complete. It has the convenience of a Bureau for holding, is easily managed, and it is impossible for it to get out of order. This Sofa Bedstead requires no props, hinges, feet, or ropes to support it when extended, as all other sofa beds and lounges have, which are all very unsafe and liable to get out of repair, but the Bedstead is formed by simply turning out the ends or closing them when the Sofa is wanted. The price is about the same as a lounge. An examination of this novel invention is solicited.
