NEWS SUMMARY.

City Affairs. Yesterday George Andrews, proprietor of the hotel No. 2424 Frankford road, took a dose of landanum in mistake for medicine, and died in the evening, after every exertion had been made to resuscitate him.

-In the U. S. Senate yesterday, after the lose of our report the Tax bill was also conodered, and pending argument on the Income Tax question, a recess was taken. The evening session was devoted to the Texas Pacitic Railroad bill.

-Dennis Walton (colored), who was arrested on suspicion of having been concerned in the shooting of William Carney, Fifth and Brown streets, last week, was yesterday committed by Alderman Kerr as an accessory before the fact. Walton is the man who testified before the Coroner's jury that the shooting was done by Alexander Brown.

-Last evening, at 7 o'clock, Mrs. Lynch was run over on the Reading Railroad, near Manayunk, and killed. At the time of the occurrence Mrs. Lynch was carrying in her arms a child. The little one was caught on the cow-catcher and carried about 1000 yards, and when the train stopped the child was found to be uninjured.

In the House the Apportionment bill was discussed and finally referred to the Judiciary Committee, which is regarded as equivalent to its defeat. Mr. Butler, from the Reconstruction Committee, reported the Senate amendment to the Georgia bill, with a substitute. Various amendments were offered, and the House adjourned, agreeing to

vote upon the bill to-day.

-Yesterday afternoon at 3 o'clock the clothing store of Mr. Burnstine, No. 614 Girard avenue, was discovered to be on fire. The flames spread so rapidly that Mrs. Burnstine, who was in an upper room with two children, had time only to escape with one. While she was on the sidewalk the other child, a boy five years of age, appeared at the window, and the mother directed him to jump down. He refused, and passing back into the room, was smothered to death. The building was greatly damaged and the stock destroyed by the fire. The Coroner was notified to hold an inquest on the child.

Celebrated Patent Sofa Bedstead

Is now being made and sold in large numbers both in France and England. Can be had only at the manufactory. This piece of furniture is in the form of a handsome PARLOR SOFA, yet in one minute, without unacrewing or detaching in any way, it can be extended into a beautiful FRENOH BEDSTEAD, with Spring Hair Mattress complete. It has the convenience of a Bureau for holding is easily managed, and it is impossible for it to get out of order. This Sofa Bedstead requires no props, hinges, feet, or ropes to support it when extended, as all other sofa beds and lounges have, which are all very unsafe and liable to get out of repair, but the Bedstead is formed by simply turning out the ends or closing them when the Sofa is wanted. The price is about the same as a lounge. An examination of this novel invention is solicited.
