THE dramatic critic of the Public Record thus refers to the merits of Fox's American Theatre. That the houses are crowded, and the entertainment first-class, there can be but one opinion:

Fox's American Varieties.—There is an old adage that "Merit will meet with its reward." There is no better illustration of this than the popular applause which every evening greets the efforts of Mr. Manager Fox, who has made his variety theatre one of the fixed institutions of Philadelphis. When he gets into his more palatial establishment on Chesnut, above Tenth, he can congratuate himself upon his great success in business. To achieve this much requires class attention to business, continuous perseverance, liberality, and judgment, especially in choosing his assistants.

A few years since he came to Philadelphia a stranger, and, by his uncontentations deportment, he collected around him friends whose good opinions are work cherishing. The entertainments at the Varieties are thriling and exciting, and as they all possess merit must of necessity become popular with the public. His ministrel performers are the most eminent in the sable profession.

SEA MOSS FABINE .- This is a new article of food which we take pleasure in commending to our readers. We have used it in our families, and have found it to be the most nutritions, delicate, and palatable article for table use we have seen.

It is a light and agreeable farine, very pleasant to taste, easy of digestion, and hence specially adapted to the use of the sick, the thousands of dyspeptics among us, and for young children: besides, the Sea Moss, its principal ingredient, has many curative properties, and is highly recommended for pectoral and scrofulous affections, and is perfectly harmless.

Here, then, we have an entirely new article of food of the most delicate and inviting character, adapted to the use of the table for Blanc Mange, Puddings, Charlotte de Russe, etc., and almost invaluable for use by the invalid. It is simple, delicate, nutritious, harmless, remedial, and economical, as it can be furnished for one-third to one-half the cost of Corn Starch, Maizena, Farina, etc., for all of which it is more than a substitute.

It is made up without trouble, and will always be good. Try it; and our word for it, you will continue in its use. - Independent.

FAST LIVING AND ITS CONSEQUENCES .- When "fast life" has undermined the strength, destroyed the appetite, impaired the digestion, and stolen the hue of health from the cheek-when the hand trembles, the spirits droop, and the whole physical and mental organization languishes, is it possible to repair the evil and restore the dilapidated system to full health and vigor? We answer that it is. Hundreds of cases have been cited, thousands might be cited, in which this regeneration has been accomplished by the regular and persistent use of PLANTA-TION BITTERS. Abstinence from the induigences which have wrought the mischief is, of course, one of the means of restoration. But it is not sumcient alone. The consequences remain after the cause has been abandoned. A wholesome and genial tonic is absolutely necessary to rouse the corporeal and mental energies from their state of collanse. This good work it is the mission of the Plantation Bitters to perform. But no other stimulant must be taken.

THE \$15 FALL AND WINTER SUITS, which are so popular at this time and so beautifully cut, made, and trimmed, and in such vast varieties that you have only to look upon them and they will speak to you-not in an audible voice, but by a power more potent than words-they will speak to your understanding, to your pecuniary interests, to your personal appearance, even to physical powers, for they adorn you with a full chest and broad and square shoulders. There is nothing to compete with the \$15 suits sold at the Great Brown Stone Hall, Nos. 603 and 605 CHESNUT street.

MR. WILLIAM W. CASSIDY, the leweller at No. 8 South Second street, has one of the largest and most attractive stocks of all kinds of Jewelry and Silverware in the city. He has also on hand a fine assortment of fine American Western Watches. Those who purchase at this store at the present time are certain to get the worth of their money.

GOING! GOING! GONE!-Faster than the auctioneer's hammer knocks down merchandise, neglect disposes of the teeth. Bid, therefore, for that prize of life, a perfect set, by brushing them regularly with Sozopont.

PROMPTNESS, energy, and perseverance have established a reliable, cheap and first-class Curtain, Shade, Bedding, and Upholstery Store in the wellknown house of Albertson & Co., No. 1435 Chesnut.

THE LATE IMPROVEMENTS in the American House, Boston, leave little to be wished for by those, who quarter under the roof of this leading hotel. Everything fresh and nice; all improvements added, and the unequalled management of the past continued.

"SPALDING'S GLUE" has now taken the place of all Cements and Mucliages.

MERIT

DR. FITLER'S

Vegetable Rheumatic Remedy.

RHBUMATISM AND NEURALGIA. RHBUMATISM AND NEURALGIA.

Sufferers from these painful complaints have only themselves to blame if they permit their frames to be tortured, when a sovereign cure like DR. FIT-LER'S WONDERFUL RHEUMATIC REMEDY is within such easy reach of even the humblest in the land. As to its curative properties in Rheumatism, Gout and Neuralgia, no one, who is not wilfully blind, can entertain the shadow of a doubt. Thousands of the worst cases known to the medical faculty have been cured by it, and hundreds of the certificates given in its favor are from judges, lawvers, physicians, merchants, tradesmen, etc., in our yers, physicians, merchants, tradesmen, etc., in our very midst, who are living evidences of its miraculous power. It is sold everywhere, and rheumatic and neuralgic sufferers owe it to themselves to make a trial of its virtues.—Philadelphia Inquirer.

DOCTOR FITLER'S RHEUMATIC REMEDY. Among the various remedies prepared for the cure of Rheumatism there is none that can compare with Dr. FITLER'S. Compounded as it is by a regular practitioner of over thirty years' standing, the immense confidence that the public place in it is well and deservedly bestowed. Thousands of certificates have voluntarily been given in its favor, and many of the cures that it has made have been of cases that have been pronounced incurable by some of the most eminent physicians of the land. Rheumatic sufferers should try it. They will find it a positive specific for the cure of their painful ailment.—Philadelphia Sunday Times.

RHEUMATISM AND NEURALGIA. RHEUMATISM AND NEURALGIA.

No more painful aliments afflict humanity than Rheumatism and Gout, and, until the advent of DR. FITLER'S GREAT REMEDY, no diseases were more difficult to cure. The patient toil, scientific research, and incessant application for years, however, of Dr. Fitler, have supplied the world with a specific in those complaints, whose goodly ministrations have made it a positive boon—a veritable Balm of Glicad—to suffering humanity. Thousands of the worst cases have been cured by it, and everywhere throughout the length and breadth of the land, it is halled as the safest, surest, and most scientifically prepared cure for Rheumatism and Neuralgia ever discovered.—New York World.

DR. FITLER'S RHBUMATIC REMEDY Has exceeded all expectation, by its wonderful curative power. Persons who have exhausted both money and patience will be warranted, in writing, a complete, permanent cure. Thirty-seven years' experience in specially treating Rheumatism has produced this popular structure. produced this popular standard specific. Dr. Fitler graduated 1833. Diplomas at office, No. 29 South Fourth street.—Philadelphia Evening Star.

RHEUMATISM. RHEUMATISM.

This disease, once a terror to the afflicted, has lost, of late years, many of its fearful and frightful aspects. Since the introduction of DR. FIT-LER'S REMEDY, those suffering from the disease have happily found a means of mastering the dread disorder. The use of that specific speedity drives every vestige of Rheumatism and Neuralgia from the system, and being purely vegetable, it not only cures those diseases thoroughly and effectively, but it also improves the general health, and leaves the system strengthened and invigorated. Rheumatic sufferers, by all means, should try it and prove its singular efficacy.—Cincinnati Enquirer.

DR. FITLER'S RHEUMATIC REMEDY. This great specific for the cure of Rheamatism and Neuralgia, since its introduction to the public, has met with a success unparalleled in the annals of medicine. Dr. Fitler, a graduate of the University of Pennsylvania of the year 1833, and a physician in Pennsylvania of the year 1833, and a physician in active practice ever since, devoted years of patient research and experiment in perfecting it, and the cures that it has since made outnumber those of all other rheumatic remedies in the land combined. Thousands of certificates have been given of the wonderful cures it has effected of Rheumatism and Neuralgis, and throughout the land it is halled by those suffering the tortures of those terrible diseases. Being purely vegetable, its use cannot injure the most delicate constitution, and those affilicted with Rheumatism or Neuralgia can safely try it, and with Rheumatism or Neuralgia can safely try it, and with the assurance too that it will speedily bring them back to health.—Chicago Evening Post.

DR. FITLER. This eminent practitioner, by the discovery of his wonderful specific for Rheumatism and Neuralgia, has laid suffering humanity under a debt of gratitude that can hardly be repaid. Thousands of the most painful cases on record, of the diseases alluded to, have been cured by that marvelous preparation, and thousands more, who are now using it, are on tag road to the same blissful condition of restored hap piness and health. What it has done in thousands of instances it can do again, and we say to all rheumatic sufferers—try it, be convinced and be cured.—St. Louis Democrat. St. Louis Democrat.
