#### MUSICAL AND DRAMATIC.

"The Marriage of Figure" by the English
Troupe.
The furious rain-storm caused the finest work In the repertotre of the company now performing at the Academy of Music to be sung last evening to the smallest audience of the season. Those who did attend, however, enjoyed a rare treat, for the music of The Marriage of Figuro is so purely delicious that it would be a pleasure to hear it even if not rendered by the most thoroughly competent artists. The performance at the Academy last evening, however, was up to a high rank of excellence, as was to be exto a high rank of excellence, as was to be expected, for the leading characters were sustained by the same singers as last season, with the exception that Mrs. Bernard personated "Su-sanna" instead of M'me Rosa, and Mr. Bowler "Don Bassilio" instead of Mr. Nordblom. Mrs. Bernard made a very excellent representative of "Susanna," and in the beautiful "Letter Duet" especially she sang with much expression. Miss Hersee, as the "Countess," acted and sang charmingly, and Mrs. Seguin, as the page "Chernbino," filled the ideal of the character

Mr. Laurence as "Count Almaviva," Mr. Campbell as "Figaro," and the other performers acquitted themselves creditably, and as the choruses were well sung and the orchestration unusually good the entertainment was one worth braving the rain storm to witness.

LABOR,-Labor is capital. Bestow good health upon a man, so that he can labor every six out of seven days, and no matter how poor he may have been at the commencement of life's great race, he will be certain to accumulate a fortune, provided he takes care of his earnings. PLANTATION BITTERS is certain to make the weak ones strong, and to preserve the health of the healthy. From four to six hours is considered the ordinary limit for brain work. At the expiration of this time the phosphorus is carried off, and the man becomes irritable and nervous. If he is poor, and continues on at his task, as most of poor doctors, lawyers, and editors do, he will be certain to shorten his days and fill an untimely grave, as did Sir Walter Scott, unless he uses Plantation Bitters, which speedily restores his vital energy, repairs his indigestion, and corrects the sluggish circulation of his blood.

CERTIFICATE OF AN EMINENT CHEMIST,-I have made a careful chemical analysis of the Sozopont, from an impartial sample purchased by me personally from a leading drug house of this city, but nothing of an injurious or objectionable character has been found in its composition. JAMES G. POHLE, M. D.,

Analytical Chemist, No. 499 Broadway, New York, Late Dr. James R. Chilton & Co.

WITHOUT SPOT OR SEDIMENT .- Phalon's Vitalia, or Salvation for the Hair, has no bad smell, and does not stain the skin. It has no ingredient that subsides in the form of fifthy sediment. NEVER FAILING SAFETY AND SUCCESS .- MRS. WINSLOW'S SOOTHING SYRUP is a safe and certain remedy for all diseases with which children are afnicted during the process of teething. It has stood the test of thirty years. Never known to fall. Gives rest to the mother and relief to the child. Cures wind colic and regulates the bowels.
