

MUSICAL AND DRAMATIC.

"Don Giovanni" by the German Troupe. The largest audience of the season was attracted last evening by the performance of Mozart's great opera of Don Giovanni, a work that never fails upon the taste, and that is always well worth hearing, no matter how imperfectly it may be rendered. The performance last evening, like those previously given by the German troupe, was distinguished by a general evenness of merit rather than by any great qualities. There were imperfections, especially in the concerted passages, none of which were perfectly sung, but, taking it as a whole, the opera was better done than it frequently has been, while two of the principal roles, "Donna Anna" and "Leporello," were sustained by thoroughly competent artists, Madame Lichimay and Carl Formes. The lady sang with admirable dramatic expression, and it is worthy of note that she introduced the celebrated "letter aria" which has been omitted of late years on account of its difficulties by every prima donna except Madama Terepa-Rosa. Carl Formes has long been celebrated as one of the best representatives of "Leporello" on the stage, and he was in excellent voice last night, his performance was greatly enjoyed. The part of "Zerlina" was creditably represented by Madlle Hafner, although she is far from being equal either as an actress or singer to many of the artists who have appeared in it. The weakest performance was that of "Donna Elvira" by Madlle Romer, whose vocal abilities were scarcely equal to the requirements of the role. The other parts were creditably sustained, Mr. Bernard appearing as "Don Octavio," Mr. Vierling as "Don Giovanni," and Mr. Franzsch as the "Commander."

The City Amusements. AT THE ACADEMY OF MUSIC Wagner's romantic opera of Tannhauser will be performed by the German troupe, with the following cast:—"Elizabeth," M. Lichtmay; "Venus," Madlle Romer; "Shepherd," Madlle Hafner; "Tannhauser," Mr. Bernard; "Wolfram," Mr. Vierling; "Walter," Mr. Habelmann; and "Biterolf," Mr. Formes.

A matinee will be given to-morrow, when Maria will be performed, with M. Lichtmay, Miss Clara Pearl, and Messrs. Habelmann and Carl Formes in the leading roles. The season will close to-morrow evening with Weber's romantic opera of Der Freischutz.

AT THE GRAND OPERA, Mr. and Mrs. Florence will have a farewell benefit this evening, when they will appear in Handy Andy, Mischievous Annie, and The Returned Volunteer.

To-morrow evening The Lady of Lyons will be given, with Mr. Charles B. Turner, Jr., and Miss Phillis Glover in the leading roles. AT THE WALNUT the drama of The Great City will be represented this evening.

A matinee to-morrow. AT THE ARCH the comedy of Coquettes will be performed for the last time this evening and to-morrow.

AT THE AMATEUR DRAWING-ROOM, Seventeenth street, above Chestnut, Mr. Rufus Adams will appear this evening as "Slylock," in The Merchant of Venice. The performance will conclude with the farce of The Loan of a Lover.

AT THE AMERICAN variety entertainment will be given this evening, the programme for which has been arranged to suit the tastes of a family audience.

A family matinee to-morrow. AT THE CIRCUS, Tenth and Callowhill streets, D'Atalie, "the man with the iron jaw," Madlle Angela, "the female Samson," Felanto, "the man-fly," and other talented performers will appear this evening.

A matinee will be given to-morrow. AT THE AMERICAN MUSEUM, Ninth and Arch streets, the extravaganza of Puss in Boots and Alf's Not Gold That Glitters will be performed this evening. A matinee to-morrow.

AT THE ARCH STREET OPERA HOUSE a variety of attractive features will be presented this evening.

AT DUPREZ & BENEDICT'S OPERA HOUSE Mr. Sam Ryan will appear this evening, in the dramas of Rip Van Winkle and The Irish Outlaw.

Mr. CARL WOLFSOHN will give his third matinee to-day at the Foyer of the Academy of Music. The performance will commence at 4 P. M.

ROTHERMEL'S PAINTING of the Battle of "Gettysburg" may be seen at No. 1003 Chestnut street.

SHARPE'S picture of "The Emerald Pearl" is on exhibition at Earle's Galleries, No. 510 Chestnut street.

CITY ITEMS. TEMPERANCE MEN ADMIT ITS UTILITY.—No attempt has ever been made, or ever will be made, to disguise the character of PLANTATION BITTERS. It contains alcohol; and no Bitter that does not contain alcohol is worth a rush. Water will neither preserve the virtues of tonic vegetables nor render them active in the system. This is a chemical fact which no one competent to deliver an opinion on the subject will deny. Water tonics turn sour on the stomach, if they are not sour to begin with (which is frequently the case), and produce and promote indigestion, instead of curing it. Let it therefore be distinctly understood that PLANTATION BITTERS is an alcohol restorative. But mark this: It is strictly a medicine, not a beverage. It is to be taken in limited quantities and at stated times, like other remedies and antidotes, and therefore its use is in accordance with temperance law, as well with that "higher law" which renders it incumbent upon every being gifted with reason to resort to the best possible means of accomplishing a salutary end.

THE STRONGEST AND BEST-SECURED INVESTMENT NOW OFFERED IN THE MARKET.

7 PER CENT. GOLD First Mortgage Bonds, Coupon or Registered, and free of U. S. Tax, PRINCIPAL AND INTEREST PAYABLE IN GOLD.

ISSUED BY THE Burlington, Cedar Rapids, and Milwaukee & Northern R. R. Co.

The small remaining balance of the Loan for sale at 90 and Accrued Interest in Currency.

Interest payable May and November. J. EDGAR THOMSON, CHARLES L. FROST, Trustees.

The bonds are issued at \$20,000 per mile against the portion only of the line fully completed and equipped.

The greater part of the road is already in operation, and the present earnings are largely in excess of the operating expenses and interest on the bonds.

The balance of the work necessary to establish through connections, thereby shortening the distance between St. Paul and Chicago 45 miles, and 90 miles to St. Louis, is rapidly progressing, in time for the movement of the coming grain crops, which, it is estimated, will double the present income of the road.

The established character of this road, running as it does through the heart of the most thickly-settled and richest portion of the great State of Iowa, together with its present advanced condition and large earnings, warrant us in unhesitatingly recommending these bonds to investors as, in every respect, an undoubted security. A small quantity of the issue only remains unsold, and when the enterprise is completed, which will be this fall, an immediate advance over subscription price may be looked for.

The bonds have fifty years to run, are convertible at the option of the holder into the stock of the Company at par, and the payment of the principal is provided for by a sinking fund. The convertibility privilege attached to these bonds cannot fail to cause them, at an early date, to command a market price considerably above par. U. S. Five-twenties at present prices return only 4 1/2 per cent. currency interest, while these bonds pay 7 per cent. and we regard them to be as safe and fully equal as a security to any Railroad Bond issued; and until they are placed upon the New York Stock Exchange, the rules of which require the road to be completed, we obligate ourselves to rebuy at any time any of these bonds sold by us after this date at the same price as realized by us on their sale.

All marketable securities taken in payment free of commission and express charges.

For the convenience of investors these Bonds are issued in denominations of \$1000s, \$500s, and \$100s.

The money is required for the purchase of additional Rolling Stock and the full equipment of this Road.

The road is now finished, and doing a business largely in excess of the anticipations of its officers.

The trade offering necessitates a large additional outlay for rolling stock, to afford full facilities for its prompt transaction, the present rolling stock not being sufficient to accommodate the trade.
