

MUSICAL AND DRAMATIC.

Theodore Thomas' First Concert. The concert given in this city last evening by Mr. Thomas was only partially successful in attracting the attention they deserved from the public. The fact is, they were absolute surprises to a large number of those who attended them, and the number of performances given was too limited to make a proper impression on the general public.

The performance was one in regard to which it is impossible to say anything but praise. The selections were excellent, and exhibited the characteristics of widely different schools of music. They combined the grave and gay, the scientific and the merely popular, in a manner calculated to suit the tastes of a miscellaneous but not unenlightened audience, while the perfect style in which they were rendered was itself a rare pleasure to all who listened to them.

At the Academy of Music, Theodore Thomas and his orchestra, assisted by Miss Anna Mehlig, will give a matinee performance this afternoon and a grand concert this evening. At the Walnut Mr. J. S. Clarke will commence a farewell engagement of seven performances this evening, by appearing as "Bob Acres" in "The Rivals" and as "Foolish" in "The Two Orphans."

WISHART'S COLUMN.

THE MEDICAL PROPERTIES OF TAR.

The pine tree has long been known to possess valuable medical properties. For pulmonary diseases it is doubtful whether any remedy has as yet been discovered equal to it.

It seems to change and renew the very structure on which it acts, and to infuse into the system an indescribable power equal to the natural power before disease had even taken hold of the body, so as to make, as it were, an entirely new tissue, and to give a newness of life and energy which one who has not been sick a long time knows the value of it cannot fully describe.

The great objection, however, to all tar preparations has been their unpleasant taste, and consequent liability to sickness and nausea to the stomach.

We have before us, however, a preparation of the kind referred to, which obviates all these objections, and is as agreeable to the palate as it is valuable in the cure of disease.

We mean "Dr. Wishart's Pine Tree Tar Cordial," a real, genuine, bona fide medicinal cordial, distilled from the pine tree by a process known only to the Doctor himself, the sale and popularity of which are only equalled by the amount of suffering it has relieved, and the number of diseases it is so well calculated to effectually cure.

In the Pine Tree Tar Cordial the invalid may be sure he has a remedy of very extraordinary power for throat and lung affections, and when taken in conjunction with the "Great American Dyspepsia Pills," an infallible cure for dyspepsia, liver complaint, sick headache, and the many ailments arising from a disordered state of the liver and digestive organs.

In our sphere as publishers we feel some degree of caution in what we recommend to our readers, but when we know of anything of value to the public we shall not hesitate to make it known through our columns.

We advise those of our readers who are suffering from dyspepsia, etc., to give Dr. Wishart's celebrated remedies a trial.

A medical expert, holding honorable college diplomas, devotes his entire time to the examination of patients at the office parlors. Associated with him are three consulting physicians of acknowledged eminence, whose services are given to the public free of charge.

This opportunity is offered by no other institution in the country.

Thousands of certificates of absolute cure (when all else failed to afford relief), as well as recommendatory letters without number, have been received by Dr. Wishart, the proprietor, attesting the uniform success with which they have been employed.

Many of said letters are from the highest sources, including eminent statesmen, Governors, State judges, clergymen, etc.—men slow to be convinced, prejudiced perhaps at first, but feeling themselves under a sense of duty bound to tell the Doctor what they had done for them and to recommend them to others.

The Great American Dyspepsia Pills and Pine Tree Tar Cordial are sold by all druggists throughout the world. They can also be obtained at Dr. WISHART'S GREAT FAMILY MEDICINE STORE, No. 232 North SECOND Street, Philadelphia, where a successful practicing physician can be consulted each day, free of charge. Those in need of professional aid or counsel will do well to make a note of the above. Communications by mail, soliciting professional advice, will be considered strictly confidential and promptly answered, free of charge. NEW 730 GOLD LOAN.

SAFE! PROFITABLE! PERMANENT!

We offer for Sale at Par, and Accrued Interest, the FIRST MORTGAGE LAND GRAND GOLD BONDS OF THE

NORTHERN PACIFIC RAILROAD CO.

These bonds are secured, (1) by a First Mortgage on the Railroad itself, its rolling stock and all equipments; (2) by a First Mortgage on its entire Land Grant, being 2,000,000 Acres of Land, each mile of Road.

The Bonds are free from United States Tax; the Principal and Interest are payable in Gold and Silver at the end of Thirty years, and the Interest is paid annually, at the rate of SEVEN AND THREE-EIGHTHS PER CENT. per annum.

They are issued in denominations of \$100, \$500, \$1,000, \$5,000, and \$10,000.

The Trustees under the Mortgage are Messrs. Jay Cooke, of Philadelphia, and J. Edgar Thomson, President of the Pennsylvania Central Railroad Company.

These Northern Pacific 730 Bonds will at all times before maturity, be redeemable at Ten per Cent. Premium (or 100) in exchange for the Company's lands at their lowest cash price.

In addition to their absolute safety, these Bonds yield an income larger, we believe, than any other first-class security. Persons holding United States 5-20 cent, by converting them into Northern Pacifics increase their yearly income one-fourth, and still have a perfectly reliable investment.

Persons wishing to exchange stocks or other bonds for these can do so with any of our Agents, who will allow the highest current price for ALL MARKETABLE SECURITIES.
