liver and digestive organs.

A medical expert, holding honorable colle giate diplomas, devotes his entire time to the examination of patients at the office parlors. Associated with him are three consulting physicians of acknowledged eminence, whose services are given to the public free of charge. This opportunity is offered by no other in stitution in the country. Thousands of certificates of absolute cure (when all else failed to afford relief), as well as recommendatory letters without number, have been received by Dr. Wishart, the proprietor, attesting the uniform success with which they have been employed. Many of said letters are from the highest sources, including eminent statesmen, Governors, State judges, clergymen, etc.-men slow to be convinced, prejudiced perhaps at first, but feeling themselves under a sense of duty bound to tell the Doctor what they had done for them and to recommend them to others. The Great American Dyspepsia Pills and Pine Tree Tar Cordial are sold by all druggists throughout the world. They can also be obtained at Dr. WISHART'S GREAT FAMILY MEDICINE STORE, No. 232 North SECOND Street, Philadelphia, where a successful practising physician can be consulted each day, free of charge. Those in need of professional aid or counsel will do well to make a note of the above. Communications by mail, soliciting professional advice, will be considered strictly confidential and promptly answered, free of charge.
