

GENERALITIES.

Brutal Assault on a Theatrical Manager. The Chapman Sisters' burlesque troupe were detained some hours at Jonesborough, Ga., while en route from Atlanta to Macon, by reason of a freight train being off the track.

Terrible Affair on the Baltimore and Ohio Railroad. Saturday morning, says the Cumberland News of yesterday, we had mention of a rumor current of two persons having been killed a day or before by the cars near Crookston.

Danger of Reading Private Notes in Church. A young man at Waneuck village, North Providence, while attending religious services on Sunday last, received a note from a lady to whom he had been paying attentions, to the effect that she had no real liking for him, and that she could no longer regard him other than as an acquaintance.

MUSICAL AND DRAMATIC.

The City Amusements. At the Chesnut Bazaar play of Damon and Pythias, with Mr. Davenport for "Damon" and Mr. Thomas for "Pythias," will be represented this evening.

On Friday evening Ohello will be performed for the benefit of Mrs. E. Edwards Lewis, the authoress of The Martyrs. Mr. Davenport will on the occasion appear as "Ohello," and as is well known to be one of his best parts, there will undoubtedly be a crowded house.

At the ARCH Miss May Saville will have a benefit this evening, when the comedy of My Wife's Driveling and the play of Paris will be given. Miss Saville is an actress of much ability, whose merits, we hope, will be recognized this evening by a crowded house.

On Friday a fine bill will be presented for the benefit of Mrs. Thayer. This lady has been an established favorite for some years; that the mere announcement of her benefit ought to be sufficient to crowd the house to its utmost capacity. In her particular line she has no superior upon the American stage.

At the WALNUT the pantomime of The Three Humbugs will be performed this evening. On Monday next Miss Ella Burns will commence an engagement, and will appear in Tom Taylor's drama of Thee and Orom. Miss Burns has appeared several times at the Walnut on benefit nights, and has given evidence of talent which will doubtless enable her to win a high place in the regards of the play-going public.

At the ACADEMY of Music the spectacle of The Black Crook, which includes a great variety of entertaining features, will be represented this evening. At the ASSEMBLY BUILDING exhibitions of Dr. Corry's diorama of "Ireland in Light and Shade" will be given this afternoon and evening.

At the AMERICAN Miss Kate Fisher will personate "Mazoppla" this evening. A number of other interesting performances will be given. At the ALHAMBRA, Seventh street, below Arch, a miscellaneous entertainment is announced for this evening.

At the MUSEUM, Ninth and Arch streets, Bonicelli's comedy of Old Heads and Young Hearts will be represented this evening, with Mr. Lewis Baker as "Jesse Rural." At CONCERT HALL a grand bazaar in aid of the sick poor of St. Mary's Hospital is now on foot.

The HANDEL AND HAYDN SOCIETY will give a grand miscellaneous concert at Musical Fund Hall on Friday evening. At the ARCH STREET OPERA HOUSE Mr. E. N. Slocum will have a testimonial bill on tomorrow evening, when an unusually attractive bill will be presented. Mr. Slocum has, during the seven or eight years he has been a resident of this city, made himself a host of warm personal and professional friends, and his benefit to-morrow evening will undoubtedly attract a crowded house.

FINANCIAL.

7-30 GOLD LOAN OF THE NORTHERN PACIFIC RAILROAD. RAPID PROGRESS OF THE WORK.

The building of the Northern Pacific Railroad (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed 266 miles westward from Lake Superior; trains are running over 130 miles of finished road, and track-laying is progressing at the rate of one to two miles per day. Including its purchase of the St. Paul and Pacific Road, the Northern Pacific Company now has 418 miles of completed road, and by September next this will be increased to at least 560.

A GOOD INVESTMENT. We are now selling and unhesitatingly recommending, as a profitable and perfectly safe investment, the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear seven and three-tenths per cent. gold interest (more than 5 per cent. currency), and are secured by first and only mortgage on the entire road and its equipments, and also on

25,000 ACRES OF LAND to every mile of track, or 500 acres for each \$1000 Bond. They are exempt from United States Tax; Principal and Interest are payable in Gold; Denominations:—Coupons, \$100 to \$1000; Registered, \$100 to \$1000.

LANDS FOR BONDS. Northern Pacific 7-30s are at all times receivable at 75 PER CENT. ABOVE PAR, in exchange for the Company's Lands, at their present cash price. This is, in addition to their character as a first-class prompt-paying Railroad security, these bonds are in effect Warrants bearing a profitable rate of interest until exchanged for Homesteads, at 75 PER CENT. PREMIUM.

SINKING FUND. The Land Grant of the Road exceeds Fifty Million Acres, having an average soil of great fertility, in a climate that is simply unsurpassed. The Trustees of the Mortgage, Messrs. Jay Cooke and J. Edgar Thomson, are now engaged to convert the proceeds of all Land Sales to the repurchase and cancellation of the Company's Bonds. This immense Sinking Fund will undoubtedly cancel the principal of the entire issue of First Mortgage Bonds (now selling) before they fall due.

PROFITABLE AND SAFE. With their ample security and high rate of interest, these Bonds are accessible to the people which is more profitable or safe. In view of the Government's expectation soon to call for the current issue of the highest rate of interest Bonds, under the present movement for funding the debt at lower interest, many holders of United States 7-Tenths are exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit, and greatly increasing their annual income.

OTHER SECURITIES—AGENCIES. All marketable Stocks and Bonds will be received at the highest current price in exchange for Northern Pacific Seven-Thirties. EXPRESS CHARGES on Money or Bonds received, and on Seven-Thirties in the United States, are paid by the Financial Agents. AGENCIES for the sale of the loan are established in every city and important town throughout the United States. For full information, maps, pamphlets, etc., can be obtained on application at any agency, or from the undersigned.
