THEMETHODIST Of New York, has always been edited with marked ability by Rev. Dr. CROOKS. Its publishers have just added to the Editorial Corps Rev. ABEL STEVENS, an equally experienced journalist, and author of the best History of Methodism extant. They have also engaged contributions and sermons from the Rev. T. DE WITT TALMAGE, whose success and popularity as a preacher, writer, and lecturer are almost unexampled, and whose Free Tabernacle in Brooklyn, with its congregation of over three thousand people, is one of the marvels of the age. Rev. H. W. BEECHER has a Lecture-Room Talk every week.

THE METHODIST abounds in good things, is never dull or dry, has stories for children, hints for farmers, and something for everybody. Mrs. Wil. LING'S great Serial Story is almost ready. They offer for the price of one year's subscription (\$2.50) to send THE METHODIST from now until July 1, 1879.
