FROM YESTERDAY'S FIFTH EDITION.

FROM WASHINGTON.

Presidential Proclamation. WASHINGTON, May 4 .- By the President of the United States of America, a proclama-

The act of Congress entitled "An act to enforce the provisions of the fourteenth amendment to the Constitution of the United States, and for other purposes," approved April 20, 1871, being a law of extraordinary public lmportance, I consider it my duty to issue this my proclamation calling the attention of the people of the United States thereto, enjoining upon all good citizens, and especially upon all public officers, to be zealous in the enforcement thereof, and warning all persons to abstain from committing any of the acts thereby prohibited. This law of Congress applies to all parts of the United States, and will be enforced everywhere to the extent of the powers vested in the Exe-

But inasmuch as the necessity therefor is well known to have been caused chiefly by persistent violations of the rights of citizens of the United States, by combinations of lawless and disaffected persons in certain localities lately the theatre of insurrection and military conflict. I do particularly exhort the people of those parts of the country to suppress all such combinations by their own voluntary efforts through the agency of local laws, and to maintain the rights of all citizens of the United States, and to secure all such citizens the equal protection of the

Fully sensible of the responsibility imposed upon the Executive by the act of Congress to which public attention is nowcalled, and reluctant to call into exercise any of the extraordinary powers thereby conferred upon me, except in ases of Imperative necessity, I do, nevertheless, deem it my duty to make known that I will not hesitate to exhaust the powers thus vested in the Executive whenever and wherever it shall become necessary to do so for the purpose of securing to all citizens of the United States the peaceful enjoyment of the rights guaranteed to them by the Constitution and laws. It is my earnest wish that peace and cheerful obedience to law may prevail throughout the land, and that all traces of our late unhappy civil strife may be speedily removed. These ends can be easily reached by acquiescence in the results of conflict now written in

our Constitution and by the due and proper enforcement of equal, just, and impartial laws in every part of our country. The failure of local governments to furnish such means for the attainment of results so earnestly desired impose upon the National Government the duty of putting forth all its energies for the protection of all its citizens of every race and color, and for the restoration of peace and order throughout the entire country.

In testimony whereof I have hereunto set my hand, and caused the seal of the United States to be affixed.

Done at the City of Washington, this third day of May, in the year of our Lord one thousand eight hundred and seventy-one, and of the Independence of the United States the sinety-U. S. GRANT. By the President,

HAMILTON FISH, Secretary of State.

FROM THE WEST.

Destructive Fires. PAINESVILLE, Ohio, May 4 .- A fire last night destroyed two warehouses, a cabinet shop, a dwelling, two barns, the railroad block, a blacksmith shop, and a lumber yard. The occupants were S. Anderson, J. S. Lindsley, J. H. Taylor, Jos. Seth Marshal, C. O. Childs, the gas company, Riker & Steele, and estate of H. Wil-

liams. The whole north side of Main street would undoubtedly have been destroyed but for a new fire steamer. Most of the new goods in the railroad block were removed. The loss is estimated at from \$30,000 to \$40,000. Insurance, \$15,000 to \$20,000. Chief Engineer Ferris was disabled by a bad sprain in the early part of the fire.

CINCINNATI, May 4.-A destructive fire occurred at Plymouth, Ohio, on Tuesday night. Supposed incendiarism. Loss, \$18,000. J. G. Street, Bacharach Bros., Masonic Hall, Richard Clark, and John Metley are the principal sufferers. Partially insured.

Attempt to Swindle a Bank. St. Louis, May 4 .- A man giving the name of E. C. Garth attempted yesterday to swindle the Lucas Bank out of \$1800, on a certificate of deposit purporting to have been issued by the Farmers' and Mechanics' Bank of Hannibal, Mo. Some suspicion being excited, the Hannibal Bank was telegraphed, and a reply received that it had issued no such certificate. Garth escaped, but detectives are after him.

Democratic Nomination. CINCINNATI, May 4 .- John G. Carlisle, of Covington, was nominated for Lieutenant-Governor by the Democratic Convention at Frankfort, Kentucky.
