HAS ACQUIRED A WORLD-WIDE FAME. All of my preparations are meritorious. A period of twenty years has PROVED THIS to be the case. See remarks made by Benjamin Travers, F. R. C. S. Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic, with this invaluable attribute, that it is applicable to a state of the system so sunken and yet so irritable as renders other substances of the tonic class unavailable or injurious. See REMARKS of the GREAT CHEMISTS AND PILL MEN OF AMERICA. WM. R. WARNER & CO., No. 154 N. Third street, Philadelphia, Pa. H. T. HELMBOLD-Esteemed Friend :-- We congratulate you on having the handsomest, and, at the same time, the MOST BFFECTIVE PILL that we have ever known for the purpose intended. WM. R. WARNERI& CO. H. T. HELMBOLD will remark, in conclusion that his remeales are the result of long and careful study. The Fluid Extracts have been before the public twenty years; the sale of them in that time proves their value. All have been benefitted by them who followed my instructions, and to-day they stand UNEQUALLED in the extent of their sale and UNSURPASSED by any Medicament in the Dispensatory of the United States, not excepting a single HERB, ROOT, PLANT, or scientific preparation. Pharmaceutical I claim all mine to be, and have never patented a single one. To dispel any impression or prejudice that might exist in the minds of many against my Preparations from the publicity given through advertising, and that I am and have been a druggist for a period of twenty years, and more conclusively to prove this see letter :--(From the largest Manufacturing Chemists in the World.] NOVEMBER 4, 1854. I am acquainted with Mr. H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise. WILLIAM WEIGHTMAN. Firm of Powers & Weightman, Manutacturing Chemists, Ninth and Brown streets, Phila. ALL STAND ON THEIR MERITS. The Pill I have thought of offering to the afflicted for ten years.

They are now perfect, and I shall stake my time. money, and fame on their effectiveness. The inviting style in which the Pill itself is made, the bot tle, label, wrapper-all show with what care they have been prepared. After examination, no English or French preparation will show greater care, and I am really proud of them.

Instead of the nauseous-looking, carelessly-prepared Pills vended generally and put up in wooden boxes, and made generally or offered by those having no experience as physicians, druggists, or manufacturers of medicines, test the medicine offered by your obedient servant, H. T. HELMBOLD.
