PROPOSALS FOR MATERIALS TO BE SUPPLIED TO THE NAVY YARDS UNDER THE COGNIZANCE OF THE BUREAU OF CONSTRUCTION AND REPAIR.

NAVY DEPARTMENT, BUREAU OF CONSTRUCTION AND REPAIR,
WASHINGTON, D. C., June 6, 1871.
Scaled proposals to furnish Timber and other
materials for the Navy for the fiscal year ending June 30, 1872, will be received at this Bureau until 12 o'clock M. of the 30th of June
instant, at which time the bids will be
opened.

The proposals must be addressed to the Chief of the Bureau of Construction and Repair, Navy Department, Washington, and must be endorsed "Proposals for Timber, etc., for the Navy," that they may be distinguished from ordinary business letters.

To prevent confusion, and facilitate the opening of the bids, parties bidding for supplies at several yards will enclose their bids in separate envelopes, each indersed with the name of the

envelopes, each indorsed with the name of the yard for which the bid is made. Printed schedules for such classes as parties deal in and intend to bid for, together with instructions to bidders, giving the forms of proposal, of guarantee, and of certificate of guaran-tors, with printed forms of offer, will be fur-nished to such persons as desire to bid, on ap-

plication to the Commandants of the respective Navy Yards, and those of all the yards on application to the Burean.

The Commandant of each Navy Yard, and the purchasing Paymaster for each station, will have a copy of the schedules of the other yards, for examination only, in order that persons who intend to bid may judge whether it is desirable to make application for any of the classes of

those yards.

The proposals must be for the whole of a class, but the Department reserves the right to reduce the whole class, should the interest of the Government require it, before the execution of the contract. All applications for information, or for the examination of samples, must be made to the Commandants of the respective

The proposal must be accompanied by a certificate from the Collector of Internal Revenue for the district in which the bidder resides, that he has a license to deal in the articles for which he proposes; and, by direction of the Depart-ment, bids or offers will be received only from parties who are bona fide dealers in, or manufacturers of, the articles they offer to furnish. The guarantors must becertified by the Assessor of Internal Revenue for the district in which they reside. The contract will be awarded to the person

who makes the lowest bid and gives the guarantee required by law, the Navy Department, however, reserving the right to reject the lowest bid, or any which it may deem exorbitant. Sureties in the full amount will be required to sign the contract, and their responsibility must be certified to the satisfaction of the Navy Department.

As additional security twenty per centum will be withheld from the amount of the bills until the contracts shall have been completed, and eighty per centum of the amount of each bill, approved in triplicate by the Commandants of the respective yards, will be paid by the Pay-master of the station designated in the contract, or, if none is specified, by the Paymaster of the station nearest the yard where the goods are delivered, within ten days after the warrant for the same shall have been passed by the Secretary of the Treasury.
