barb and Fluid Extract Catawba Grape
Juice.

tions, Sick or Nervous Headache, Cos-
tiveness, etc. Purely Vegetable,

Minerals or Deleteri-
ous Drugs.

These Pills are a pleasant purgative, super-

nothing more acceptable to the stomach. They
give tone, and cause neither nausea nor griping
pains. They are composed of the *finest ingredi-

invigoration of the entire system takes place, as
to appear miraculous to the weak and enervated.
H. T. Helmbold's Compound Fluid Extract
Catawba Grape Pills are not sugar-coated; sug-
ar-coated Pills pass through the stomach without
dissolving, consequently do not produce the desir-
ed effect.

THE CATAWBA GRAPE PILLS, being pleas-
ant in taste and odor, do not necessitate their

to rules of Pharmacy and Chemistry, and are
not Patent Medicines.

HELMBOLD.

LADIES.

In many affections peculiar to ladies, the
EXTRACT BUCHU is unequalled by any other
remedy, and for all complaints incident to the
sex, whether arising from indiscretion or habits
of dissipation. It is prescribed extensively by
the most eminent physicians and midwives for
enfeebled and delicate constitutions of both
sexes and all ages.

H. T. HELMBOLD'S

EXTRACT BUCHU

Cures Diseases arising from Imprudences,
Habits of Dissipation, etc.,

In all their stages, at little expense, little or no
change in diet, no inconvenience, and no expo-
sure.

HENRY T. HELMBOLD'S

IMPROVED

ROSE WASH

Cannot be surpassed as a FACE WASH, and will
be found the only specific remedy in every spe-
cies of cutaneous affection. It speedily eradicates
Pimples, Spots, Scorbute Dryness, Irradiations
of the Cutaneous Membrane, etc., dis-
pels Redness and Incipient Inflammation,
Hives, Rash, Mox Patches, Dryness of Scalp or
Skin, Frest Bites, and all purposes for which
Salves or Ointments are used; restores the skin
to a state of purity and softness, and insures
continued healthy action to the tissues of its
vessels, on which depends the agreeable clear-
ness and vivacity of complexion so much sought
and admired. But however valuable as a remedy
for existing defects of the skin, H. T. Helmbold's
Rose Wash has long sustained its prin-
cipal claim to unbounded patronage, by possess-
ing qualities which render it a TOILET AP-
PENDAGE of the most superlative and congenial
character, combining in an elegant formula
those prominent requisites, SAFETY and EF-
FICACY—the invariable accompaniments of its
use—as a Preservative and Refresher of the
Complexion.

**GENERAL RECAPITULATION OF DIS-
EASES AND CURES.**

For Kidney Affections—Use Helmbold's Ex-
tract Buchu.

For Bladder Affections—Use Helmbold's Ex-
tract Buchu.

For Gravel—Use Helmbold's Extract Buchu.

For Dropsy—Use Helmbold's Extract Buchu.

For Female Complaints—Use Helmbold's
Extract Buchu.

For Gleet—Use Helmbold's Extract Buchu
and inject with Improved Rose Wash.

For Strictures—Use Helmbold's Extract
Buchu and the bougie. For dose, see bottle.

The Sarsaparilla would be useful, taken in
connection with Buchu, in all these affections,
although not in all cases necessary; but as in the
diseases for which Buchu is used it is difficult to
decide. As a precautionary measure it would
be well to use Sarsaparilla.

For Impurities of the Blood, Scrofula, Eruptions,
Beautifying the Complexion, etc.—Take
two teaspoonfuls of the Sarsaparilla night and
morning. For children half the above quantity.

In all of the above diseases the patient must
bear in mind that the bowels should be kept
open by H. T. HELMBOLD'S CATAWBA
GRAPE PILLS.

Rules for the Guidance of Patients.

Use no high-seasoned, fat or greasy food.
Acidulous and stimulating drinks, as well as the
use of tobacco, should be avoided. Costiveness
must be avoided in all of the above diseases.
Use gentle exercise, and bathe the parts affected
with cold water, freely and frequently. Take the
medicines according to directions, and not only
a safe but permanent cure is guaranteed, no mat-
ter how violent may be the case, or of how long
standing.

A CASE OF TWENTY YEARS' STANDING.

PHILADELPHIA, Pa., June 26, 1867.

H. T. HELMBOLD, Druggist:—

Dear Sir:—I have been a sufferer for over twenty
years with gravel, bladder and kidney affections,
during which time I have used various medicinal
preparations, and been under the treatment of the
most eminent physicians, experiencing but little re-
lief.

Having seen your preparation extensively adver-
tised, I consulted my family physician in regard to
using your Extract Buchu.
I did this because I had used all kinds of adver-
tised remedies, and had found them worthless, and
some quite injurious; in fact, I despair of ever
getting well, and determined to use no remedies
hereafter unless I knew of the ingredients. It was
this that prompted me to use your remedy. As you
advised that it was composed of buchu, cubeba,
and juniper berries, it occurred to me and my physi-
cian as an excellent combination; and, with his
advice, after an examination of the article, and con-
sulting again with the druggist, I concluded to try
it. I commenced to use it about eight months ago,
at which time I was confined to my room.
From the first bottle I was astonished and grati-
fied at the beneficial effect, and after using it three
weeks was able to walk out. I felt much like writing
to you a full statement of my case at the time, but
thought my improvement might only be temporary,
and therefore concluded to defer, and see if it would
effect a perfect cure, knowing that it would
be of greater value to you and more satisfactory to
me.
I am now able to report that a cure is effected
after using the remedy for five months.
I have not used any now for three months, and
feel as well in all respects as I ever did.
Your Buchu being devoid of any unpleasant taste
and odor, a nice tonic and invigorator of the system,
I do not mean to be without it whenever occasion
may require its use on such occasions.

FROM THE PRINCIPAL PHYSICIAN OF THE
SANITARY INFIRMARY OF THE STATE OF
LOUISIANA.

PARISH LA FOURCHER, La., April 20, 1870.

H. T. HELMBOLD, Esq.:—

Dear Sir:—I have in my practice used (in the ma-
jority of cases where diseases of the urinary organs
extended Helmbold's Extract of Buchu, and can con-
fidently say that I have never known it to be used
without the greatest beneficial result. I have con-
sulted patients after partaking of it, and they invari-
ably confirm my statement. I am satisfied that
the preparation is an established fact, convincingly
proved by the practical test of long experience.

Yours, respectfully,
JOHN B. C. GAZZO, M. D.

**PERMANENT CURE OF DIABETES WITH FOUR

HACKENSACK, BERGEN CO., N. J., April 26, 1870.
DR. H. T. HELMBOLD:—

Dear Sir:—I have been suffering for a long time from
Diabetes, and had been under treatment for the same
by (3) three of the most eminent physicians of this
place, viz., Drs. Hasbrook, Hall, and Smith, with-
out any apparent beneficial result. Having heard
of your "Fluid Extract Buchu," I concluded to try
it, although I had but little faith in its curative pro-
perties. I am happy to state that, after having
taken four bottles of your "Buchu," I am entirely
cured, and deem it but my duty to you and the com-
munity at large to inform you of the fact, and that
I have been permanently cured by your medicine,
after having been informed by the (3) three physi-
cians above named that my disease was incurable.

Yours truly,
JOHN H. WYGANT.

**CURE OF BLADDER AND KIDNEY AFFEC-
TIONS OF LONG STANDING.**

WESTPORT, Conn., September 5, 1869.

H. T. HELMBOLD, Esq.:—

Dear Sir:—I commenced taking your Extract of
Buchu about two weeks since for an affection of the
bladder and kidneys. I have suffered by spells very
much for a few days past. But yesterday relief
came through the effect of your "Buchu." And now
I feel perfectly well, and entirely free
from the pain that I have suffered with. I attribute
my cure to your medicine entirely, and would re-
commend all persons similarly affected to try it. I
have great faith in its curative powers.

Yours, truly,
THOMAS J. BENNETT.

**CURE OF KIDNEY AND BLADDER AFFECTION
OF A PATIENT SEVENTY-EIGHT YEARS OF
AGE.**

THANKS TO MR. HELMBOLD.

GIRARD, Pa., March 31, 1869.

Editor Cosmopolite.—I desire as an unselected
tribute to the merits of HELMBOLD'S BUCHU, and for
the benefit of those similarly afflicted as myself,
to say that after consulting many eminent physi-
cians, and trying nearly all the best advertised
remedies, in the vain hope of finding relief from
aggravated kidney and bladder diseases from which
I have suffered excessively for many years, good
fortune finally suggested to me HELMBOLD'S
BUCHU, which I commenced using with little faith
and no apparent beneficial result for about a month.
At the expiration of that time, however, I thought I
commenced to experience slight relief, which en-
couraged me to persevere in its use, and now, at the
expiration of four months, although I am an infirm
old man, nearly seventy-eight years of age, and con-
sequently medicine cannot be expected to favor-
ably affect me as they otherwise would, I have found
such unspeakable relief and permanent benefit from
Mr. Helmbold's valuable discovery, that I feel I
ought to publicly record the fact, as an acknowl-
edgment to him, and a valuable suggestion to the
public.

Yours, respectfully,
D. M. LAREN.

NEW YORK STATE VOLUNTEER INSTITUTE,

Central Park.
(A Home and School for the Sons of Deceased Sol-
diers.)

Dr. H. T. HELMBOLD:—Two bottles only of the
package of your valuable Buchu presented to the
Institute have been used by the children and with
perfect success. In the case of our little Lieutenant
A. J., his pride is no longer moribund, and he is free
from the daily morning anæsthesias of the chamber-
maid who has charge of the bedding. I feel that a
knowledge of the result of our use of your Buchu
with the children under our charge may save many
a Superintendent and Matron of Boarding Schools
and Asylums a great amount of annoyance; and
many a poor child, suffering more from weakness
than from habit, may be spared punishment that is
not knowing it as a weakness instead of a bad habit
most unjustly inflicted upon them. Thanking you
on behalf of the children, and hoping others may be
alike benefited,

I am, respectfully yours,
COL. YOUNG,
General Superintendent and Director,

Dear Sir:—I take great pleasure in sending you a
certificate in addition to the many you have received
from suffering humanity. I can scarcely find lan-
guage sufficiently strong to express my heartfelt
gratification at the wonderful cure your Buchu has
effected. For four years I have suffered beyond

description. All my friends (with myself) came to
the conclusion that my case was incurable. Ac-
cidents placed your advertisement in my hand. I com-
menced taking your Buchu.

I followed the directions, and, to my utter as-
tonishment, before I had taken seven bottles of your
valuable medicine—I would give one hundred dol-
lars a bottle, if I could not get it at any other price—
an entirely cured. I most earnestly recommend it
to all those suffering from disease. I have told
many persons to take your valuable medicine, and
they are doing so with great success. Any infor-

Dear Sir:—I wish you to send me one dozen of
your Sarsaparilla Extract and half a dozen of your

satisfactory to the practitioner, but also to
the patient, and I shall endeavor to bring them into

**CERTIFICATE OF A DISTINGUISHED MID-
WIFE.**

PHILADELPHIA, August 18, 1869.
H. T. HELMBOLD:—

Sir:—I have used your EXTRACT BUCHU with
many of my patients, and can speak of it in the
highest terms in every case, and consider it a valu-
able remedy, and one that should be in the hands
of every midwife. Very truly, yours,
REBECCA STANTON, M. D.

**CURE OF NERVOUS PROSTRATION AND DE-
CLINE OF A YOUNG LADY.**

H. T. HELMBOLD:—I have been giving your EX-
TRACT BUCHU to my daughter, who has been
unable to sleep, very nervous, loss of appetite,
general debility and rapid falling into decline—in
fact, Consumption was talked of. I was recom-
mended to try your BUCHU by a highly respectable
lady of this place, who had given to her son with
complete success. My daughter had been troubled
for a long time. I purchased one bottle some eight
weeks since, which lasted one week, and from which
she received great benefit; this induced me to pur-
chase one half-dozen bottles, as I had tried many
other remedies, and my family physician, who has
no avail. It is now more than two weeks since she has
taken the last bottle, and I am happy to inform you
of its complete success. Very truly, yours,
GEORGE M. MARSHALL,
Germantown, Pa., February 13, 1869.

**SPEEDY RELIEF FROM KIDNEY AFFECTION
OCCASIONED BY ACCIDENT.**

DR. H. T. HELMBOLD:—

Sir:—On the 23d of August last I received
severe internal and external injuries, occasioned by
an accident on a Philadelphia railroad car. On my
arrival in New York I was attended by Dr. WILSON,
of East Fifty-fifth street, and another physician,
whose name I do not now remember. After my
wounds were dressed, I suffered for three (3) days
intense agony from internal injuries, which affected
my kidneys. I can not describe the suffering I re-
ceived. I used the balance of the bottle, and am
happy to state that since that time I have experi-
enced no further difficulty.
Very truly yours,
P. H. KEARNEY,
No. 548 Third Avenue.

Mr. Kearney respectfully refers to either of the

**CERTIFICATE OF JAMES D. LAHEY, OF THE
FIRM OF THEODORE MEGARGEE & CO.,
PAPER MANUFACTURERS.**

PHILADELPHIA, December 9, 1864.

Dear Sir:—In November 1863, my son, aged "one
year," was taken with sore eyes and scalp disease,
and after using various medicines by advice of
seven different physicians to no purpose, I was ad-
vised by a friend to try your Extract of Sarsapa-
rilla, after using three bottles of which the child is
almost entirely cured—the disease of the head hav-
ing all disappeared, and the spots on the eyes
diminishing daily. I shall continue to use your Ex-
tract, and cheerfully recommend it to others as a
safe family medicine.

Yours truly,
JAMES D. LAHEY,
Of the firm of Theodore Megargee & Co., Nos. 3
and 5 Decatur street.

CURE OF TETTER.

LOOK HAVEN, Pa., Oct. 12, 1867.

Mr. HELMBOLD:—My wife has been afflicted with
the Tetter for eight years. She tried numerous
remedies without effecting a cure. She took your
Extract Sarsaparilla, and six bottles completed a
cure.

**FROM A PROFESSOR OF SURGERY, SUR-
GEON AND CLINICAL LECTURER TO THE
ALMSHOUSE INFIRMARY, ETC.**

I have employed the medicine of Dr. Helmbold
in numerous instances within the last three years,
and have always found them extremely efficacious,
especially in diseases of the Urinary Organs. I have
no hesitation in pronouncing them of estimable
value, and worthy the confidence of the faculty.

(Dr. REYSER is a Physician of over Thirty
Years' experience, and graduate of the Jefferson
Medical College, and of the University of Medicine
and Surgery of Philadelphia.)
MR. H. T. HELMBOLD:—

Dear Sir:—In regard to the question asked me as
to my opinion about Buchu, I would say I have seen
and used every form of Buchu—the powdered leaves,

HELMBOLD.

the simple decoction, tincture, fluid extracts—and
am not cognizant of any preparation of that plan
at all equal to yours. Thirty years' experience
ought, I think, to give me the right to judge of its
merits, and without prejudice or partiality I give
yours precedence over all others.

I have cured with it, and seen cured with it, more
diseases of the bladder and kidneys than I have
ever seen cured with any other Buchu, or any
other proprietary compound of whatever name.
Respectfully yours, etc.,
