Complete Sewing Machine Combining the making of BUTTONHOLES, OVER-SEAMING, etc., with every other kind of Sewing that can be done on any other Sewing Machine; the price of which is only \$75, with a complete outfit:—

THE AMERICAN

1 have had one of the American Combination Machines for nearly three years, and cheerfully testify to its many excellent qualities, as well as its durability. I had previously used the "Wheeler & Wilsob, "Grover & Baker," and "Singer." I think that the "American" makes the most perfect stitch of all sewing machines, and decidedly prefer it to any other machine that I am familiar with. It requires hardly any effort to run it, and its entire operation s exceedingly simple and easy.
MISS JENNIE S. MALLORY,

Dressmaker, No. 12 Broas' Row, Titusville, Pa. It is the best in the market for all or any kind of work. It is so simple in its construction that a child may readily guide it. My family would not be with-out it under any circumstances.

J. R. BROOMALL, Ercildoun, Chester Co., Pa. BURLINGTON, New Jersey, June 14, 1871.

DEAR Sin:—I bought one of the American Buttonhole Overseaming and Complete Sewing Machines,
about four weeks ago, for the purpose of making
buttonholes in lasting and kid shoes. After having the machine one week, and having but one LESSON ON THE SAME, I was enabled to make 600 holes per day. I am now (after four weeks' practice) making 720 holes per day, in a superior manner and with perfect ease. Am very much pleased with the machine, and can heartly recommend it to all those wanting a machine for such purposes.

SALLY FENIMORE.

MOUNT LEBANON, Allegheny co., Pa.

I have lately become the possessor of one of the new and wonderful American Family Sewing Machines, and I feel surprised and delighted with its truly overwhelming performances. It only requires to be known to supersede all others now in use. No one need delay purchasing, for I am convinced that this Machine has arrived to a very great degree of perfection.

Messra, Hall & Rosley, Gents: The American Messrs. Hall & Bosley, Gents:—The American Machine which I bought of you last spring gives me the highest satisfaction. I have received hardly any instruction, yet can do all kinds of sewing on it with

perfect ease. The best thing I can wish for any housekeeper is that she may have as perfect a Sewing Machine as the American.
Yours truly, MRS. T. M. JONES, Neilltown, Forest co., Pa. Call and examine this wonderful Sewing Machine
