Joseph Casey was useful knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge on this subject, and to the disposal of the knowledge will be laid before you, and will exhibit in ment and control of these works. The ex- ment and be sustained by a virtuous and with an appropriation to the Farmers taking possession; and subsequently a detail the condition of the public works- pendituies on that portion of the line, be- intelligent people. If the revenue and High School of Pennsylvania-an insti- cautionary order was made by the Supreme the result of the public works on that portion of the line, be intelligent people. It the revenue and the receipts and the receipts and the receipts and expenditures for the past fiscal year.

The total receipts at the Treasury, from the public works, for the year ending Notice public works and the year ending Notice public works and the year ending Notice public ing an increase over the revenues of the crease this deficiency. This continual drain res, richer than gold—the social and mor- berality of some of the patriotic citizens for an injunction refused. Possession of

> On the twenty-second day of April passed. By this act the Eric and North East railroad, as originally located and constructed, was legalized and confirmed; and certain changes in the road were directed. to be made, and other acts to be done by the Governor shall retain possession of the Erie and North East railroad, under the act of the sixth of October, 1855, until the provisions of this act shall have been accepted by a vote of the stockholders of the Erie and North East railroad company, at a meeting called for that purpose." the fifteenth day of May, 1856, at a meeting of the stockholders called for that purpose, the provisions of the act were accepted by their vote. This acceptance, duly certified, was received and filed in this Department on the fifteenth day of July last. Possession of the road has been restored, and it is now under the care and management of the company. A final account for money received from the road, whilst in possession of the State, will be settled with the company at the earliest practicable period.

It is but proper to state that since the receptatancer of the act of the 221 of April. 1850, a writ of error, in the cases adjudicated by the Supreme Court of Pennsylvania, has been issued at the suit of the company by the Supreme Court of the United States, and is now pending in that Court.

The commissioner first apprinted having resigned, A. K, M'Clure, Esq., was ap-pointed in his place. The duties of both officers were ably and faithfully performed. Copies of their correspondence and reports herewith submitted to the House of Repreacntatives, for the use of the Legislature.
