A Noble Pen.

"Mr. Buchanan, the gossips tell us, will write his inaugural with an eagle quill, not plucked by man from the wing, but the free gift of our national bird. It appears that Senator Brown, of Mississippi, was proclaiming the certain election of Mr. Buchanan, when a feather dropped at his feet, from the wing of an eagle that was flying over. The gentleman preserved the quill, and had it forwarded to Mr. Buchanan."

It is a great pity to spoil so romantic a story, but as this is a prosaic age, and we have to do with matter of fact people, we venture to give, on good authority, the following version of the manner in which this particular eagle's feather was actually procured, and the keen and sarcastic remark its proposed use elicited from a Republican Senator.

Senator Brown was visiting a friend in the neighborhood of Washington, who has in a cage a fine bold eagle. While this friend was exhibiting it to his guest the imprisoned bird dropped from his wing a feather, which Senator Brown picked up, declaring he would forward it as a present to Mr Buchanan. On his return to Washington, he met Mr. Soward, and after relating the incident, told him he intended to send this feather from an eagle's wing to the President elect, that he might appropriately make use of it in writing his inaugural address. "Humph!" responded Seward quietly, in his dry way —An Eagle—a *caged* Eagle; a SLAVE Eagle!"

What a world of meaning is couched in those few but significant words, and how completely they destroy all the romance concerning the Eagle's feather.—*Baltimore Patriot.*

Feb. Appointments.

DR. H. TUBBS,

Will be at his room, Bridgewater, Lehmer's Hotel, Monday, February 16, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patients may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Individuals however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

Persons afflicted with Cancerous or Scrofula Tumors or Ulcers, should read the following:

Townsend, Huron Co., O., Oct., '54

Dr. H. Tubbs—Sir:—As I have received very great help from your treatment, and notice similar results upon several of my friends, I feel it a duty to send you my name for public reference.

A tumor became noticeable in my right breast nine years ago. For three years it caused but little attention, but subsequently it grew faster and caused me a great deal of suffering. The increase of size at last became very great; the entire side was largely swollen, and the right arm so affected as to be nearly useless. We sought the advice and aid of many physicians, who termed it a scrofular or cancerous tumor. Notwithstanding all their efforts to reduce the pain it became intolerable and incessant. I was urged to have the entire breast removed with the knife, and a day was appointed for the purpose; but my positive refusal to submit, prevented the operation. I was able, with difficulty, to walk. Under your treatment, the pain has been overcome, the tumor materially reduced, and the arm fully restored. We had tried many remedies before, but the effects of none can compare with this. My general health has been improved nearly as much as the side. It is now over a year since the improvement took place.

Yours, &c., Mrs. GEO. TILLINGHAST.
