For the Beiver Argus. this kind against the County. It is true trict in which he does not reside: that these sums were drawn from the County Treasury, by the persons named, but it is not correct, that they were the first to cover their expenses, while travelling, officially, from the County fund. This has been the custom of the county for years back, and it must necessarily be so. To

ing to the County. He would hire a horse to take him there, for which he would be eampelled to pay \$1,50, his boarding during the day would cost him at least of the day would cost him at least of the day would make \$200—

his per diem allowance. What then would the Countissioner have for his service or who that it was an able effort, and well received by would the County get to serve it in that the audience.

Capacity? Assuredly but few, for none but the audience.

PERLIC LECTURE.—Rev. Barrows, of the up' for receiving money for which he rendered a lecture on equivalent, we appeal to Mr. McGregor to say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the say if he should not bear him company, for the should be heard, and that all the facts should be nade public without delay.—

William Fawcett to obtained his wages from the Star office in advance, and we shall prove it.—

Star office in advance, and we shall prove it.—

This is undoubtedly the correct view of the accused las been unfairly dealt with, structing the vision. Formidable as these diseases may snear the treatment is simple opportunity should be given to deal that Mr. McGregor's own ample opportunity should be given to deal decided position that the country, the would be an angry ulcer, or osteo sarcoma.

Various are the causes which produce these diseases, but the most frequent of the should be nade public without delay.—

William Fawcett to obtained his wages from the structure that the country, the would be an angry ulcer, or osteo sarcoma.

Various are the causes which produce these diseases, but the most frequent of the should be nade public without delay.—

This is undoubtedly the correct view of the same and produce th compelled to pay \$1,50, his boarding are called upon to go beyond the limits of the County-into sister Counties to transact business. Would it be just or reasonable to ask the Commissioners, when they were thus called upon to go from home, to pay their own travelling expenses, which would likely amount to \$2, or \$2,50, per day, and pay them only \$2 in return, and expect them to lose the balance, together
