AGRICULTURAL SOCIETY.

The annual meeting of the Beaver Co. Agricultural Society, under the Constitution, will be held in the Court House on the evening of Monday, March 9th, at 6½ o'clock.

As the Election of Officers for the ensuing year will be held, the annual report of the managers and Treasurer of the Society acted upon, and other important business transacted, a full attendance of members is earnestly requested. It is especially desirable that all parts of the County should be represented, so that suitable persons may be recommended for the different offices, and thus thwart the centralization of officers, which has been urged by some as a Complaint against the action of former similar meetings, may be obviated.

The Board of managers will meet at 10 o'clock A. M. of the same day in the Sheriff's office for the purpose of closing up the unfinished business and preparing the report for the current year.

By Order.

March appointments

DR. H. TUBBS,

Will be at his room, Bridgewater, Lehmer's Hotel, Tuesday, March 3d, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Fevers, Chill Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within their reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or throw down to built up again. The medicines can be taken with safety by the most delicate, and patients may remain at home, and continue with prudence their ordinary diet and exercise. Many have received under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

We commend the following astonishing case of ulceration of the right lung, involving, doubtless, the Pleura on the same side, to the attentive perusal of consumptives.

Union tp., Logan Co., Ohio, Feb. 1857.

Dr. Tubbs—Dear Sir: When I saw you in July last, I was in a very feeble condition. I had had a violent cough for the eight months previous, accompanied by a discharge of enormous quantities of putrid matter, such as issues from an old sore. Sometimes it was tinged with blood. The accumulation of matter in the chest became so great as to cause an enlargement externally of the breast or side. When the abscess broke the flow of matter was so profuse as nearly to cause suffocation.

After expectorating thus freely, swelling would subside. The pus would then gradually collect again, producing the same fulness, and followed by a most copious discharge as before.

This continued for about four months and until after I commenced your treatment. I was reduced in flesh, had nigh sweats, and my ankles and lower limbs swelled so large that bandaging was resorted to in order to reduce it. My cough was continuous, night and day depriving me almost altogether of rest or sleep. Improvement was gradual but continued after seeing you until I got entirely rid of my sweats, cough and expectoration, also the enlargement of the side, and am again as healthy as is usual for me when in health. So far the severe weather of winter has produced no return of my old symptoms, and health and strength remain comfortably good. I had no expectation of ever again being as well as I now am. I now furnish this that others may know what means were employed during my recovery. Having resided forty years in Logan county, I am well known to its citizens, to whom reference may be had.

Yours Truly,

SAMUEL MOORE.

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT

CIRCULAR TO THE SICK.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralize the fery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS,

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antiputrescent and anti inflammatory.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment.—The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the incrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a remedy for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions	Lumbago	Sore Legs
Burns	Mercurial	Sore Breasts
Chap'd Hands	Eruptions	Sore Heads
Chilblains	Piles	Sore Throats
Fistulas	Rheumatism	Sores of all
Gout	Salt Rheum	kinds
	Skin Diseases	Sprains
Swell'd Glands	Stiff Joints	Scalds
Ulcers	Venereal Sores	Wounds of all kinds.

* * Sold at the Manufactories of Professor Holloway 80 Maiden Lane, New York and 244 Strand London, and by all respectable Druggists and Dealers of Medicines throughout the United States, and the civilized world, at the following prices, viz: 25 cents, 62½ cents, and $1 each. Pots, at 62½ cents, is a considerable saving by taking the large size.

N. B. Directions for the guidance of patients are affixed to each pot.

February 25 1857

HOLLOWAY'S OINTMENT AND PILLS have a cosmopolitan reputation. In every land, Christian or savage, to which commerce has carried them, they have become standard remedies for the most painful and dangerous complaints to which humanity is liable. The Ointment is an acknowledged specific for all eruptive, tumorous, and ulcerous disorders; and there is no disease of the stomach, the liver or the bowels, that may not be subdued by a persistent use of the Pills.

DR. MARTENSEN'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND AGUE,

And the various affections consequent upon disordered

STOMACH AND LIVER.

Such as Indigestion, Acidity of the stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve raised up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE!—Whoever expects to find in this beverage will be disappointed, but to the sick weak and low spirited, it will prove a greatful aromatic cordial, possessed of sin gular remedial properties.

CAUTION.—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Sold at $1 00 per bottle, or six bottles for $5 00 sold by the proprietors, Benjamin Page, Jr & Co. Manufacturing Pharmaceutists and Chemists, Pittsburgh, Pa.
