HOLLOWAY'S PILLS purify the secretions which enter into the composition of the blood, and thus produce a salutary effect upon every organ; for the blood feeds and sustains every fibre of the body. The cures accomplished by this famous remedy are complete, because it expels from the circulation the seeds of disease. The oldest practitioners are thunderstruck at the rapidity with which chronic dyspepsia and liver complaint are eradicated by Holloway's Pills, after all the aperients and tonics in their repertoires have been tried in vain. The philosophy of the matter is this—Nature is first relieved of the poisonous influences which paralyze her action, and then assisted in her efforts to recuperate the system.

Marble apointments

DR. H. TUBBS,

Will be at his room, Bridgewater, Lehmer's Hotel, Tuesday, March 31st, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of [illegible] disabling complaints, both [illegible].

For nine years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patients may remain at home, and continue with prudence their ordinary diet and excercise. Many are recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

We commend the following astonishing case of ulceration of the right lung, involving, doubtless, the Pleura on the same side, to the attentive perusal of consumptives.

Union tp., Logan Co., Ohio, Feb. 1857.

Dr. Tubbs—Dear Sir: When I saw you in July last, I was in a very feeble condition. I had had a violent cough for the eight months previous, accompanied by a discharge of enormous quantities of putrid matter, such as issues from an old sore. Sometimes it was tinged with blood. The accumulation of matter in the chest became so great as to cause an enlargement externally of the breast or side. When the abscess broke the flow of matter was so profuse as nearly to cause suffocation.

After evacuating thus freely, swelling would subside. The purse would then gradually collect again, producing the same fulness, and followed by a most copious discharge as before.

This continued for about four months and until after I commenced your treatment. I was reduced in flesh, had high sweats, and my ankles and lower limbs swelled so large that bandaging was resorted to in order to reduce it. My cough was continuous, some nights depriving me almost altogether of rest or sleep. Improvement was gradual but continued after seeing you until I got entirely rid of my sweats, cough and expectoration, also the enlargement of the side, and am again as healthy as is usual for me when in health. So far the severe weather of winter has produced no return of my old symptoms, and health and strength remain comfortably good. I had no expectation of ever again being as well as I now am. I now furnish this that others may know what means were employed during my recovery.—Having resided forty years in Logan county, I am well known to its citizens, to whom reference may be had. Yours Truly,
Feb. 18, 1856. SAMUEL MOORE.

HE MEDICINE OF THE MILLION

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittents, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma,	Diarrhœa,	Indigestion,
Bowel Comp'ts,	Dropsy,	Influenza,
Coughs,	Debility,	Inflammation,
Colds	Fever and Ague,	Veneral Affe'n
Chest Diseases,	Female Compl'ts,	Piles,
Costiveness,	Liver Compl'ts,	Headaches,
Worm, all kinds,	Lowness of	Law'd weau's
Dyspepsia,	Spirits.

Such as Indigestion, Acidity of the stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally nauseous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve raised up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE!—Whoever expects to find in this abeverage will be disappointed, but to the Sick weak and low spirited, it will prove a greatful aromatic cordial, possessed of singular remedial properties.

CAUTION.—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Sold at $1 00 per bottle, or six bottles for $5·00, sold by the proprietors, Benjamin Page, Jr & Co. Manufacturing Pharmaceutists and Chemists, Pittsburgh, Pa.
