March Appointments

DR. H. TUBBS,

Will be at his room, Bridgewater, Lehmer's Hotel, Tuesday, March 31st, 1857.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the Blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patiens may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invito call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

We commend the following astonishing case of ulceration of the right lung, involving, doubtless, the Pleura on the same side, to the attentive perusal of consumptives.

Union tp., Logan Co., Ohio, Feb. 1857.

Dr. Tubbs—Dear Sir: When I saw you in July last, I was in a very feeble condition. I had had a violent cough for the eight months previous, accompanied by a discharge of enormous quantities of putrid matter, such as issues from an old sore. Sometimes it was tinged with blood. The accumulation of matter in the chest became so great as to cause an enlargement externally of the breast or side. When the abscess broke the flow of matter was so profuse as nearly to cause suffocation.

After expectorating thus freely, swelling would subside. The puss would then gradually collect again, producing the same fulness, and followed by a most copious discharge as before.

This continued for about four months and until after I commenced your treatment. I was reduced in flesh, had nigh sweats, and my ankles and lower limbs swelled so large that bandaging was resorted to in order to reduce it. My cough was continuous, some nights depriving me almost altogether of rest or sleep. Improvement was gradual but continued after seeing you until I got entirely rid of my sweats, cough and expectoration, also the enlargement of the side, and am again as fleshly as is usual for me when in health. So far the severe weather of winter has produced no return of my old symptoms, and health and strength remain comfortably good. I had no expectation of ever again being as well as I now am. I now furnish this that others may know what means were employed during my recovery.—Having resided forty years in Logan county, I am well known to its citizens, to whom reference may be had. Yours Truly,

Feb. 18, 1856. SAMUEL MOORE.

HOLLOWAY'S PILLS.—Rush of blood to the head is often primarily caused by a bad condition of the stomach and bowels. Invigorate the stomach, regulate the excretions, and purify the fluids with this world-renowned medicine, and you will be exempt from vertigo, dimness of sight, headache and other alarming apoplectic symptoms which frequently accompany dyspepsia and habitual constipation. The impurity of the blood, as well as an excess of it in the brain, has much to do with cerebral affections, and as Holloway's Pills operate upon the chemical agents which generate that fluid, as well as upon the circulation itself, they are infallible in this class of maladies.

THE MEDICINE OF THE MILLION

PHILOSOPHY AND FACT

HOLLOWAY'S PILLS

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies, but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittents, and all the varieties of disease generated by an unnatural condition of gorhaet. n

BOWEL COMPLAINTS

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma,	Diarrhœa,	Indigestion,
Bowel Comp'ts,	Dropsy,	Influenza,
Coughs,	Debility,	Inflammation,
Colds	Fever and Ague,	Veneral Affc'n
Chest Diseases,	Female Compl'ts,	Piles,
Costiveness,	Liver Compl'ts,	Headaches,
Worm, all kinds,	Lowness of	Inw'd wean's
Dyspepsia,	Spirits.	

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London, by all respectable Druggists and Dealers of Medicine throughout the United States, and the civilized world in boxes, at 25 cents, 62½ cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each box. feb 18

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

A RESISTLESS REMEDY.

HOLLOWAYS OINTMENT

CIRCULAR TO THE SICK.

The first hospital surgeons and medical physicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout Europe repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidences of disease, and neutralizes every elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most agonizing diseases of the muscles, the glands and the skin; yet in their worst forms, when seemingly incurable, they invariably appear under a persevering application of this soothing, healing, antipote to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where mercurials, waters, lotions, and every recipe of the pharmacopea have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment.—The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS.

This Ointment is universally used on board the Atl
