AYER'S PILLS

A YER-S PILLS, A NEW and singularly "encoustful remedy for the a care of all Billow diseases — Continenses, Indi-ettion, Jaundice, Dropsy, Rheumatian, Fevers, out, Hanous, Nervousness, Irritability, Inflamms-ines, Headache, Pains in the Breast Side Back, and Linghs, Formale Complaints, &c. &c. Indeed, ary few are the diseases in which a Purgative Medi-ary few are the diseases in which a Purgative Medi-ary few are the diseases in which a Purgative Medi-ary few are the diseases in which a purgative state effectual Cathartic were more freely used. It prevales, besider it woon generates terious and and fail discusse, which might have been avoided who for any feet well while a costive habit of all prevales, besider it woon generates terious and and fail discusse, which might have been avoided who for any feet well while a costive habit of all prevales, besider it woon generates terious and and fail discusse, which might have been avoided who for any feet well while a costive habit of all prevales, besider it woon generates terious and and fail discusse, all over the land. Hence a which fail the hearses all over the land. Hence a which fail the hearses all over the land. Hence a which fail the hearses all over the land. Hence a which fail the hearses all over the land. Hence a state family physic is of the first importance to be public health, and this Fill has been perfected with conventue as shift to meet that demand. An stensive trial of its virtues by Physicians, Profes-ors, and Patients, has shown results supassing my than phitterfor how of any medicine. Cures have tere efficied beyond belief, were they not sub-stantiated by persons of such the demand. An stensive trial of these Filk, we may function. Market Ansayer of Massachusett, whose high informated charket is endared by the Her. Lawkith Krener, Ka-Speaker of the House of low exclusters. Arourt Lawnersce, Minister Plen, to England. How Work City endorsed by Hey. W. L. Market, Scenetary of State. W. B. Astros

Yai, B., ANTOR, the richest man in Americal S., BELAND.& Co., Propr's of the Metropolitan Hotel and others. Did space permit, we could give many hundred certificates, from all parts where the Pills have been field, but evidence even more convincing than the experience of eminent public men is found in their effects upon trial. Three Pills, the result of long investigation and study are offered to the public as the best and most locumplete which the present state of medical science can afford. They are compounded not of the drage themestical extracted by chemical provise in a state of purity, and combined together in such a manner as to insure the best, by produce a more efficient remedies, extracted by chemical provise in a state of purity, and combined together in such a manner as to insure the best, by produce a more efficient remedy than had bitherto been 20-tained by any process. The reason is perfectly ob-tived. While by the old mode of composition, every modifier is buildered with more or less of acri-mentant and injurious qualities, by this cach indi-cidual virtue only blats is desired for the curative effections only being retained. Hence it is self-vident the effect is should prove as they have provid more purely trendial, and the Pills a surer, more powerful antibote to dimense than any other as effectively expedient that my medicine 7 Ð

more powerful antidote to disease than any other more powerful antidote to disease than any other medicine known to the world. As it is frequently expedient that my medicine should be taken 'more the coursel of amattending l'huisian, and as he could not properly judge of a remedy eithout knowing its courposition. I have supdied the scenarate Formule by which both my Preserving and Pills are made to the whole body of Practitioners in the United States and British Amer-ical Provinces. If, however, there should be any one who has snot received therai, they will be prescriptly diswarded by mail to bis address. (If all the Fatent Mediames that are offend, how few would be taken it their composition was known! They life consists in their mystery. I have no mychrica.

The consists in their mystery. I have no evolution. The composition of my preparations is laid open to allowed and all who are competent to indge on the abject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was primumced by scientific men to be a wonderful neighbor is for the scient work hnown. Many em-ined Physicians have declared the same thing of-ray fills, and even more confidently, and are will-ing to certify that their anticipations were more their entropy of their effects upon trial. The operate by their powerful influence on the structure inserts the blood and stimulate it into weight action - remove the obstructions of the intenants, howek; liver, and where organs of the science in graphed they are pleasant to take, and as are the into organ of disease. Sign square weighted, here are pleasant to take, and the in air quantity. It is in an any quantity. Price attrib. BY
