HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND AGUE,

And the various affections consequent upon disordered

STOMACH AND LIVER.

Such as Indigestion, Acidity of the stomach, Cockey Pains, Heatburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or seat of life, or intoxication. Generally instantaneously raised up the drooping spirit, and, in fact, the fusing new health and vigor in the system.

NOTICE!—Whoever expects to find in this beverage will be disappointed, but to the Sick weak and low spirited, it will prove a greatful aromatic cordial, possessed of singular remedial properties.

CAUTION.—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *pill*, but not easy to make the best of all *pills*—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These *pills* produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints cured by them we mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, in any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence on occasional dose is advantageous, even though no serious derangement exists; but non necessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions see wrapper on the Box.

AYER'S

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

THIS remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly proclaiming the benefits they have been restored from alarming and even hopeless diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate, and not only is favorable use made upon the rich, but for the milder varieties of Colds, Coughs, Hoarseness, &c., and for CHILDREN it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and the same article is sold by—

AGENTS—Young & Thomas, Beaver, Dr. Smith Bridgewater; C. Kaiser, Rochester, Dr. Sargent, New Britton; John Black Darling on, and by all merchants everywhere. Dr. O. Cunningham, Lawr.

Bridgewater, Feb. 20, 1856.

The Greatest Medical Discovery OF THE AGE.

Dr. KENNEDY, of Roxbury has discovered in one of our common pasture weeds a remedy that cures every kind of humor, from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach

Three to five bottles are warranted to cure the worst cases of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and bloches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers,

One bottle will cure scaly eruption of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure he most desperate dse of rheumatism.

Two or three bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of Scrofula.

A benifit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another, after trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—In April 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a desease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

DIRECTIONS—Adults one table spoonful per day—Children over ten years dessert spoonfull. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Manufactured by

FULL OF HOPE TO THE AFFLICTED AND SUFFERING!

Many of the thousand portals of Death may be closed, and life made happier, and more comfortable to thousands who are now in danger. Doubtless this world contains many a balm to soothe its physical woes and cure its diseases. Among those in promi- nent rank, stands

BOWMAN'S VEGETABLE COMPOUND,

A SAFE and speedy cure for Consumption, not only in those milder forms of Throat and Lung Diseases, such as colds, coughs, quinsey, difficulty of breathing, bronchitis, Ministers' sore throat, weakness of the chest, asthma, inward ulcer, spitting of blood, influenza, croup, whooping-cough, pain in the breast and side, hoarseness, catarrh and catarrhal affections, inflammation of the lungs, bleeding of the lungs, and such like. But its superior excellence is seen and tested in the more advanced affections of the lungs. For the truth of the above statement and the efficiency of the preparations as an antidote, we refer the public to the following testimonials:

Language is scarcely strong enough to tell the great power of this

WONDERFUL DISCOVERY!

The doubting may try and be convinced.

The Proprietors point to the following bona fide certificates with confidence on the community; they are but samples of the many hundreds of *testimonials in our possession:*

Philadelphia, Aug. 15, 1856.—Last spring, while in Pittsburgh, I had a bad cold and cough, which troubled me much, and a friend of mine gave me a bottle of Bowman's Vegetable Compound for diseases of the throat and lungs, which I commenced taking, and found relief almost immediately. I had taken many things for cough and hoarseness, but never got anything to help me as it has done. I believe it to be the best antidote for coughs and hoarseness that is out, and cheerfully recommend it to the public. THOS. H. STOCKTON.

Pastor 1st Prot. Meth. Church.

From Judge Vanhorn, of the District Court at Cincinnatia.

Cincinnati, May 4, 1856.—I have used Bowman's Vegetable Compound for bronchitis and cough, and believe it to be the best medicine out for those diseases, and the only one I ever got to give me any permanent relief. It will cure. I recommend it to the public as an honest and efficient medicine, and will perform what it is published to do W. VANHORN.

TO THE PUBLIC.

I have used Bowman's Vegetable Compound in my family, for coughs, colds and Ministers' sore throat and believe it to be the best thing that I ever got for those complaints, and cheerfully recommend it to the public.

REV. J. GASTON,

Pastor of the Clinton st. M. E. Church,

June 10, 1855. Cincinnati.

Here is one from the old pioneer Methodist preacher of Ohio, Rev. J. B. Finley.

I believe Bowman's Vegetable Compound to be the best remedy for Diseased Throat and Lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public. Try it and you will be convinced of its superiority.

Cincinnati July 1856. Rev. J. B. FINLEY.

Hear what the celebrated Dr. Peck says:

New York, May 12, 1856.—I have used Bowman's Vegetable Compound for coughs and hoarseness in speaking; and believe it to be the best preparation for Throat and Lung complaints I ever got; and I recommend it to the public speaker and singer, as well as those afflicted with Lung diseases. J. T. PECK.

Hear what Dr. Benson, of Cincinnati, says: [Extract from a letter.]

Bowman's Vegetable Compound contains a virtue which is not possessed by any other popular medicine in my knowledge. It does not only smoothe the disease over, giving it only temporary relief (like most of patent medicines,) but it commences at tee root of the disease, and performs a perfect cure.
