N. B. Payments can always be made in any adjoining township. H. B. ANDERSON, April 16 1857. Treasurer.

DR. GALVIN M. FITCH,
Author of the *Invalid's Guide and Conscientious Manual*, &c.
Will be at the ST. CLAIR HOTEL, Pittsburgh, Penn., from 10th to Saturday Morning, May 16th, 1857.

WHERE he may be consulted daily, Sabbath excepted, for Consumption, Asthma, Chronic Bronchitis, &c. Also for Dyspepsia, Female Diseases, and other affections connected with or predisposing to Consumption.

If from any cause a patient is unable to remain during the whole of the period above named, the appointment will be concluded by his associate, Dr. J. W. BYRES.

Those intending to consult Dr. Fitch are particularly requested to apply as early as possible, for on the occasion of his former visits Dr. Fitch has found it utterly impossible to give all the attention he could have desired to the number who delayed visiting him until the last, and so crowded upon him during the last few days of his appointments.

And Dr. Fitch wishes it furthermore distinctly understood, that although he considers Consumption a curable disease, and treats it as such, still that he does not pretend to raise the dead, or to cure patients who have neither lungs nor constitution left, and those who wish treatment from him must apply reasonably early in the course of their disease. And he undertakes in cases where there seems some chance of remedy. In cases where there is none, the treatment must of course be merely palliative.

Consultation, personally or by letter, free.

OFFICE HOURS DAILY.
St. Clair Hotel, Pittsburgh, Apr. 8 '57.

May Appointments
DR. H. TUBBS,
Will be at his room, Bridgewater, Lehigh Hotel, Monday, May 4th, 1857.

For consultation, upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female Diseases, Age and Fever, Fits, Impurities of the Blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to build up again. The medicines can be taken with safety by the most delicate, and patients may remain at home, and continue with prudence their ordinary diet and exercise. Many have recovered under the treatment after friends and physicians had given up all hope; the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invited to call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

HEART DISEASE:
Affectors of this vital organ being generally thought incurable, we submit the following from an old resident of Seneca county, O.

Butterick Ridge, Seneca co., Nov. 1856.
Dr. Tubbs—Dear Sir—My son, Simon Jackson, having been restored to health by your treatment, a sense of gratitude to you, as well as a desire to benefit others, make it my duty to certify to yourself and the public generally, that he was afflicted with an acute Rheumatic affection, resulting after many months in dropsy of the chest and disease of the heart, with violent palpitation. For weeks he was unable to lie down at all, and as everything which had been done for him was of no avail, whatever we were about to do, he died in his recovery. But I am happy to say that your remedies and treatment were entirely successful, effecting a radical cure; and there has been no return of this disease up to this time which is now about two years.

I remain, respectfully, your friend and obedient servant.
JOSEPH JACKSON.

THE MEREIT OF THE MILLION
PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS
THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and sinew. The stomach is its manufactory, and is the primary source of the intestinal channel through which the waste matter rejected in its production is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.
Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.
The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, judiciously rectifying its irregularities, and actually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS
Unless the bowels perform their functions properly, the whole system suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether acute or chronic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.
The local debility and irregularities which are the special annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the world for the following Diseases:
Asthma, Diarrhoea, Indigestion, Headache, Bowel Complaint, Dropsy, Inflammation, Intestine, Coughs, Debility, Fever and Ague, General Affections, Bilious Diseases, Constipation, Piles, Gravel, Gout, Liver Complaints, Hemorrhoids, Worms, Kidney, Lowness of Blood, and all the Diseases of the Female Sex.

Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 24 Strand, London, by all respectable Druggists and Dealers of Medicine throughout the United States, and the civilized world in boxes, at 25 cents each, and 50 each.

There is a considerable saving by taking the largest size of the Pills, which will sell at the lowest price.

N. B. Directions for the guidance of patients in every disorder are affixed to each box. Feb. 18 1857.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible in a watermark in every leaf of the book of directions attached to each box; the same may be plainly seen by holding the leaf to the light. A bad imitation would be liable to any one rendering such information as may lead to the detection of any party or parties guilty of counterfeiting the medicine or vending the same, knowing them to be spurious.
