DR. GALVIN M. FITCH,

Author of the Invalid's Guide and Consumptive's Manual &c., &c.

Will be at the ST. CLAIR HOTEL, Pittsburgh, Penn'a, from

Monday Morning, March 16th, to Saturday Evening, May 16th, 1857,

WHERE he may be consulted daily, Sabbath excepted, for Consumption, Asthma, Chronic Bronchitis, &c. Also for Dyspepsia, Female Diseases, and other affections connected with or predisposing to Consumption

If, from any cause, DR FITCH should be unable to remain during the whole of the period above named, the appointment will be concluded by his associate, Dr. J. W. SYKES.

Those intending to consult Dr. Fitch are particularly requested to apply as early as possible, for on the occasion of his former visits Dr. Fitch has found it utterly impossible to give all the attention he could have desired to the number who delayed visiting him until the last, and so thronged upon him during the last few days of his appointments.

And Dr. Fitch wishes it furthermore distinctly understood, that although he considers Consumption a curable disease, and treats it as such, still that he does not pretend to raise the dead, nor to cure patients who have neither lungs nor constitution left, and those who wish treatment from him must apply reasonably early in the course of their disease. And he would add, also, that both himself and his associate are accustomed to tell those applying their real situation; nor need any apply who are unprepared or unwilling to learn the truth A curative treatment will, of course, only be undertaken in cases where there seems some chance of remedy. In cases where there is none, the treatment must of course be merely palliative.

Consultation personally or by letter, free.

June Appointments

DR. H. TUBBS

Will be at his room, Bridgewater, Lehmer's Hotel, Monday, June 15th, 1857

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female diseases, Ague and Fever, Fits, Impurities of the blood, Eruptions, Cancers, Ulcers, and all other varieties of long standing complaints, both external and internal.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are mineral or other poisons employed, nor does he make sick to make well, or tear down to built up again. The medicines can be taken with safety by the most delicate, and patiens may remain at home, and continue with prudence their ordinary diet and excercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced or despairing, are invito call, and may be assured that no encouragement will be given or expense incurred, without a corresponding prospect of recovery.

HEART DISEASE.

Affections of this vital organ being generally thought incurable, we subjoin the following from an old resident of Seneca county, O.

Butternut Ridge, Seneca co., Nov. 1856.

Dr Tubbs.—Dear Sir:—Jackson, Simon Jackson, having been restored to health by your treatment, a sense of gratitude to you, as well as a desire to benefit others, make it my duty to certify to yourself and the public generally, that he was afflicted with an acute Rheumatic affection, resulting, after much suffering, in dropsy of the chest and disease of the heart, with violent palpitation For weeks he was unable to lie down at all, and as everything which had been done for him was of no avail, whatever, we were about despairing entirely of his recovery. But I am happy to say that your remedies and treatment were entirely successful, effecting a radical cure; and there has been no return of that disease up to this time which is now about two years.

I am, very respectfully, your friend and obedient servant, JOSEPH JACKSON.

THE MEDICINE OF THE MILLION

PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory, the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of gorlet. n

BOWEL COMPLAINTS

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhœa Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alternative.

Holloway's Pills are the best remedy known in the World for the following Diseases:

Asthma,	Diarrhœa,	Indigestion,	
Bowel Comp'ts,	Dropsy,	Influenza,	
Coughs,	Debility,	Inflammation,

HOLLOWAY'S PILLS,

Are of infinite benefit to persons suffering from nervous tremors and general feebleness. They renovate the nervous system, and brace the muscles, as well as give tone to the stomach.—Their Purgative action is unaccompanied by pain, and as they have powerful stomachic as well as aperient and purifying properties, they literally carry on the work of invigorating the digestion, relieving the bowels, and regulating the secretions at one and the same time, This cannot be said of any other medicine in existence.
