A New Kansas Project Poreshalowed.

The New York Harald of yesterday, has a telegraphic despatch from Washington foreshadowing a new mode of settling the Kansas difficulties, which is said to be the plan of Robert J. Walker. It states that Governor Walker's programme is to allow the prossivery party to go on and frame the free State party, at the same time, to hold as many conventions and pass as many indignation resolutions as they please, and those having claims will present throw all the proceedings of both parties authenticated for settlement. anto the next Congress, with a splendid manifesto in behalf of his new compromise.
