There has long existed a public demand for an effective purpative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the bost of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient, hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Livier Complaint, in its various forms of Jaundice, Indigestion, Larguor and Loss of Appetite, Listlessness, Irritability, Billous Headache, Billous Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aprient the viafford prompt and sure relief in Costiveness, Piles, Colle, Dysentery, Humors, Seroful and Scurry, Colds with soreness of the body. Urers and impurity of the blood; in short, and any accessful cures in the series of the year, to purify the blood and prepare he system for the chart, and restore the wasted or diseased energies of the whole organism. Dr. KENNEDY, of Roxbury has discovered in one of our common pasture weeds a remedy that cures every kind of humor, from the worst Scrofula down to a common pimple,

He has tried it in over 1100 cases, and never Scrofula down to a common pimple, He has tried it in over 1100 cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another trial it-always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in surprising; first that it grows in our pastures, in surprising; first that it grows in our pastures, in surprising the surprising is a surprising the surprising that appear to me surprising; first that it grows in our pastures, in surprising the surprising that appear to me surprising; first that it grows in our pastures, in surprising the surprising that the surprising the surprising that the surprising t surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846 -second, that it should cure all kinds of hu-

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day In April 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have

been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of t from all quarters. In my own practice I always kept it strictly

Here is one from the old pioneer Methodist prescher of Ohio, Rev. J. B. Finley.

I believe Bowman's Vegetable Compound to be the best remedy for Diseased Thront and Lungs, of the day. I have tested it, and found it to be the best of all the popular remedies I ever tried, and I have tried very many. I recommend it to the public. Try it and you will be convinced of its superiority.
