LATER FROM KANSAS.

The Border Ruffians held their Constitutional Convention election in Kansas on expresses himself highly delighted with the Monday, June 15. The editor of the Leav-country which spreads out level and fertile enworth Times, who arrived here on Sat-unday evening, furnishes us some news in Walker with whom he was well acquainted relation to it. The first and most impor when that gentleman resided in this city tant fact is that, throughout the Terriand heard him make speach at Big tory, the Free Scate men refused to vote Springs. Some 300 of the "people" came whether registered or not, with a few up to hear the "Guvner," who tried despescattering exceptions. Only three Free rately to get up an enthusiastic cheer for D State men are known to have been un his speech, in which he anounced his polprincipled enough to vote in Leavenworth icy of government, including the scheme

enworth county were only 600. There men cheered at one time. When Walker are upwards of 4,200 legal voters in that had concluded "Jim Lane" took the stump county, 1,837 of whom were "registered." and spoke for the other side. He was re In the precinct of Leavenworth, out of 1, ceived with a perfect storm of applause 700 vaters, but 215 attended the polls.— and left Walker completely in the shade. All the reports received up to Wednesday The people are about 10 to I against the very light vote had been cost, and that the off for a "government" there. The Free Free State men had ignored the whole thing. State men (abolitionists, you know,) are A strong effort was made to get out as large all alive with hope and determination. De

counties was divided into two factions- the sceptre and the rod, and peace and oug headed by Gov. Walker, and the oth- instice come in to hold rule among the DE LORMA IMBRIE, Borough. is in favor of submitting the Constitutenthusiastic for the free State cause, and tion to be framed, to a vote of the whole cheer their sons, their hurbands and their WILLIAM W. We might add a tong the deem any but the following damecessary.

Economy, December 24th, 1856. MESSRS, CRIDGE, WADSWORTH & Co. Gentlemen: - We hereby certify that we have had one of your Oscillating Engines in use for nearly four months, and that it gives satisfaction in The following resolution was then offered every respect. Its principal advantages over join it may be injurious to the citizens of the lat Its simplicity, and the consequent fa-

cility to keep it in good order. 2d. It takes up much less room. &d. It requires less pressure of steam to do the same amount of work; and is, therefore worked with less dauger and less fuel.

Respectfully yours, JACOB HENRICI. Our facilities for shipping to any point whatever, by Rail Road, Canal, or on the Chic Riv er, is ns good as at any other point. Our Works are situated in Fallston, Pa on the west

July 1, 1857. DISSOLUTION OF PARTNERSHIP. The Partnership heretofore existing between the undersigued in the Foundry business, it Bridgewater, under the style of Anderson Lehmer, has this day been disolved by J. J J.S. ANDERSON. July 1, 1857.

NOTICE. Having bought out the interest of J. J. An-

RESOLUTION

Proposing Amendments to the Lans dution of the Commonwealth Resolved by the Senate and House of Reprosentatives of the Commonwdalth of Tennsylva

First Amendment. There shall be an additional article to said constitution to be designated as article sleves as follows:

OF PUBLIC DEBTS Secreon I, The State may contract debts to business, or during court week, it certainty apply casual deficits or failures in revenue for Court House as it, stood befors these imthe aggregate mount of such debts direction But why is it there appears of late no or more acts of the general issentially, or utility

dit of private institutions or individuals create a sinking fund, which shall be sufficient only. What right has a Seminary, how-ever valuable in itself,) to be allowed the use of public property, when by that use of public property, when by that use it will inevitably be abused? What right have the Commissioners to let the Court time to time owned by the state, or the property could be the same of the same or any part transfer. or other rooms of the building to itingrant ceeds of the sale of the sand, or any partitive shownen, pay-lecturers, or any other persons, where it must inevitably result in the stocks owned by the state, long-ther with other same abuse? I hold they have no right to have The said sinking fund may be designated by of the county, for abuse of the trust the taxes, or other revenues of the soits and confided to them However, approach required for the ordinary gird current expenses them interrogotively, as it may be possible of government, and unless in case of war, hyather attention has never been sufficiently ing fund shall be used or applied otherwise and regardless to the matter and regardless than the country of the soil sing fund shall be used or applied otherwise.

The Convention then proceeded to the further from the trees when he stops, that the debt, or any part thereof, of any counts comination of a ticket they may not finish the work of demolition city, berough or togherips or of any complete they may not finish the work of demolition city, berough or togherips or of any complete they have begun, by eating them up on tion, or association further such libraries trees.

Assembly, by acclamation.
